## VISION

To create a world-class educational system that gives students the knowledge and skills to be successful in college and the workforce, and to flourish as parents and citizens

## MISSION

To provide leadership through the development of policy and accountability systems so that all students are prepared to compete in the global community

To create collaborative relationships between school librarians and classroom teachers which transforms the school library program into a support system that strengthens the curriculum by bridging the informational literacy gap.

The AASL National School Library Standards encourage learners to:

## INQUIRE

- Build new knowledge by inquiring, thinking critically, identifying problems, and developing strategies for solving problems.

## INCLUDE

- Demonstrate an understanding of and commitment to inclusiveness and respect for diversity in the learning community.

## COLLABORATE

- Work effectively with others to broaden perspectives and work toward common goals.

## CURATE

- Make meaning for oneself and others by collecting, organizing, and sharing resources of personal relevance.

## EXPLORE

- Discover and innovate in a growth mindset developed through experience and reflection.

## ENGAGE

- Demonstrate safe, legal, and ethical creating and sharing of knowledge products independently while engaging in a community of practice and an interconnected world.

Children without basic literacy skills when they enter school are **3-4 times** more likely to drop out later.

Reading to a child in an interactive style raises his or her IQ by over **6 points**.

15 minutes per day of independent reading can equal **1 million+** words in a year.

Daily reading to children puts them almost **1 year** ahead of those who are not being read to.

Children who read 3,000 words per day will be in the **top 2%** of standardized tests.

# Managing Data

Rubric Evidence

## Evaluation Requirements

- **MINIMUM** of 3 evaluations with 2 informal and 1 formal evaluation
- Feedback is **REQUIRED** after each evaluation

## Summative Rating

- Using the evidence collected over the course of the school year, the administrator should apply the four-performance level rating scale to evaluate a librarian's practice using all nine Librarian Growth Rubric standards.
- Summative observation standard ratings for each librarian will be submitted to the MDE. The method of submission and submission window will be provided to districts between February or March of each year.

## Best Ways to Collect Data

**DO NOT** collect items in a box throughout the year.

Pictures or photo albums are **NOT** required as evidence.

Using computer files or cloud storage is a great way to organize and store digital documents.

A binder or folder is a great way to collect and organize reports and other information.

Use whatever type of organization process the helps locate information quickly.

## Templates

- Templates have been created to help librarians collect and organize data.
- Each template has a header with the name of the document and connections to resources.

### Example

School librarians will develop and implement **two (2)** SMART goals per school year. The librarians will collaboratively write goals with the input of the school library advocacy committee. The first goal will encompass the student learning outcomes for either a particular grade or whole school. The second goal will include a library program goal which improves the resources or services provided to students and teachers. The overall professional growth score will be the average of the two SMART goals.

**EXAMPLE:**

Student Learning Outcome SMART Goal score = 3 | Library Program SMART Goal score = 4

SMART Goal Overall Score =  $3+4 = 7/2 = 3.5$  (overall score)

## Helpful Tips

- Work with the librarians in your district to write vertically-aligned SMART goals
- Include your library advocacy committee when writing SMART goals
- Look at student data when writing the **achievable** portion of the SMART goals
- Library Program and Student Learning Outcome goals can be either short- or long-term depending on the needs of your school community.

Explanation of Domains

## Performance Level Descriptors

## Performance Level 4

- This librarian demonstrates advanced practices, particularly those that foster student usage of resources and the environment.
- In Level 4, a strong community has been created in which teachers and the librarian collaborate to ensure the success of student learning.
- Level 4 practice goes above and beyond the expectations for an effective librarian.

## Performance Level 4 Definitions

Level 4	
<b>Fully</b>	This descriptor means that the librarian is enacting the indicator to the furthest extent possible
<b>Consistently</b>	The librarian demonstrates that the indicator is always enacted in the classroom
<b>Effective(ly)</b>	This descriptor signals that the librarian is achieving the desired result at the highest level
<b>Successfully</b>	The descriptor means that the librarian is achieving the desired results
<b>All</b>	The librarian demonstrates that all the students using the library are being well served by instruction and by the services offered
<b>Appropriate</b>	This descriptor refers to the high level of suitability of the action the librarian takes in the circumstances

## Performance Level 3

- This librarian demonstrates effective practices.
- Level 3 is characterized by indirect support while Level 4 is characterized by direct support with the school's instructional program and goals.
- Level 3 practices are **expected of all effective librarians.**

## Performance Level 3 Definitions

Level 3	
Adequate(ly)	This descriptor means that the librarian’s performance is satisfactory, but does not reach the furthest extent possible (level 4)
Frequently	The librarian demonstrates that the indicator is enacted on many occasions, although there are times when it may not be evident
Most	The librarian demonstrates that most of the students using the library are being well served by instruction and by the services offered

## Performance Level 2
