

MS Code 37-13-91

When a compulsory-school-age child is being educated in a legitimate home instruction program:

The parent, guardian or custodian of a compulsory-school-age child described in this subsection, or the parent, guardian or custodian of a compulsory-school-age child attending any nonpublic school, or the appropriate school official for any or all children attending a nonpublic school shall complete a "certificate of enrollment" in order to facilitate the administration of this section.

The form of the certificate of enrollment shall be prepared by the Office of Compulsory School Attendance Enforcement of the State Department of Education and shall be designed to obtain the following information only:

- (i) The name, address, telephone number and date of birth of the compulsory-school-age child;
- (ii) The name, address and telephone number of the parent, guardian or custodian of the compulsory-school-age child;
- (iii) A simple description of the type of education the compulsory-school-age child is receiving and, if the child is enrolled in a nonpublic school, the name and address of the school; and
- (iv) The signature of the parent, guardian or custodian of the compulsory-school-age child or, for any or all compulsory-school-age child or children attending a nonpublic school, the signature of the appropriate school official and the date signed.

The certificate of enrollment shall be returned to the school attendance officer where the child resides on or before September 15 of each year. Any parent, guardian or custodian found by the school attendance officer to be in noncompliance with this section shall comply, after written notice of the noncompliance by the school attendance officer, with this subsection within ten (10) days after the notice or be in violation of this section. However, in the event the child has been enrolled in a public school within fifteen (15) calendar days after the first day of the school year as required in subsection (6), the parent or custodian may, at a later date, enroll the child in a legitimate nonpublic school or legitimate home instruction program and send the certificate of enrollment to the school attendance officer and be in compliance with this subsection.

For the purposes of this subsection, a legitimate nonpublic school or legitimate home instruction program shall be those not operated or instituted for the purpose of avoiding or circumventing the compulsory attendance law.
