ITS and Purchaser are sometimes collectively referred to herein as "State".

WHEREAS, Purchaser, pursuant to Invitation for Bid ("IFB") No. 4301, requested proposals for the acquisition of certain software and services (hereinafter referred to as "Products") as listed in Exhibit A which is attached hereto and incorporated herein; and

WHEREAS, Seller was the successful proposer in an open, fair and competitive procurement process;

NOW THEREFORE, in consideration of the mutual understandings, promises, consideration and agreements set forth, the parties hereto agree as follows:

ARTICLE 1 TERM OF AGREEMENT

1.1 Unless this Agreement is extended by mutual agreement or terminated as prescribed elsewhere herein, the period of performance of the Products under this Agreement shall begin on the date it is signed by all parties and shall continue until the close of business on June 30, 2025 (hereinafter referred to as "Initial Term").

1.2 This Agreement will become a binding obligation on the State only upon the issuance of a valid purchase order by the Purchaser following contract execution and the issuance by ITS of the CP-1 Acquisition Approval Document.

ARTICLE 2 FURNISHING OF SOFTWARE AND SERVICES

2.1 Subject to the terms and conditions set forth herein, Seller agrees to provide and Purchaser agrees to buy as needed, the Products listed in the attached Exhibit A and at the purchase price set forth therein, but in no event will the total compensation to be paid hereunder exceed the specified sum of \$86,802.77 unless prior written authorization from ITS has been obtained. Purchaser shall submit a purchase order signed by a representative of Purchaser itemizing the Products to be purchased. The purchase order shall be subject to the terms and conditions of this Agreement. The parties agree that Purchaser reserves the right to adjust the quantities of purchases based upon the availability of funding or as determined necessary by Purchaser. Seller guarantees pricing for the Initial Term of this Agreement. In the event there is a national price decrease of the Products bid during this time, Seller agrees to extend the new, lower pricing to Purchaser.

2.2 The Products provided by Seller shall meet or exceed the minimum specifications set forth in IFB No. 4301 and the Seller's Proposal in response thereto.

ARTICLE 3 TITLE TO SOFTWARE

Title to the software provided under this Agreement shall at all times remain with the applicable software manufacturer.

ARTICLE 4 CONSIDERATION AND METHOD OF PAYMENT

4.1 Once the Products have been accepted by Purchaser, Seller shall submit an invoice for the cost and shall certify that the billing is true and correct. Services will be invoiced as they are rendered. Seller shall submit invoices and supporting documentation to Purchaser electronically during the term of this Agreement using the processes and procedures identified by the State. Purchaser agrees to pay Seller in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Sections 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment of undisputed amounts by the State within forty-five (45) days of receipt of the invoice. Seller understands and agrees that Purchaser is exempt from the payment of taxes. All payments shall be in United States currency. Payments by state agencies using Mississippi's Accountability System for Government Information and Collaboration (MAGIC) shall be made and remittance information provided electronically as directed by the State. The payments by these agencies shall be deposited into the bank account of the Seller's choice. No payment, including final payment, shall be construed as acceptance of defective Products or incomplete work, and the Seller shall remain responsible and liable for full performance in strict compliance with the contract documents specified in the article herein titled "Entire Agreement".

4.2 Acceptance by the Seller of the last payment from the Purchaser shall operate as a release of all claims against the State by the Seller and any subcontractors or other persons supplying labor or materials used in the performance of any work under this Agreement.

ARTICLE 5 WARRANTIES

5.1 Seller represents and warrants that Seller has the right to sell the equipment and license the software provided under this Agreement.

5.3 Seller represents and warrants that the Products provided by Seller shall meet or exceed the minimum specifications set forth in IFB No. 4301 and Seller's Proposal in response thereto.

5.4 Seller represents and warrants that its services hereunder shall be performed by competent personnel and shall be of professional quality consistent with generally accepted industry standards for the performance of such services and shall comply in all respects with the requirements of this Agreement. For any breach of this warranty, the Seller shall, for a period of ninety (90) days from performance of the service, perform the services again, at no cost to Purchaser, or if Seller is unable to perform the services as warranted, Seller shall reimburse Purchaser the fees paid to Seller for the unsatisfactory services.

5.5 Seller represents and warrants that, to the extent applicable, it will ensure its compliance with the Mississippi Employment Protection Act, Miss. Code Ann. section 71-11-1, et seq. of the

Mississippi Code Annotated (Supp2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Seller agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security where required, to provide a copy of each such verification to the State. Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Seller understands and agrees that any breach of these warranties may subject Seller to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Seller would also be liable for any additional costs incurred by the State due to contract termination or loss of license or permit.

5.6 Seller represents and warrants that no official or employee of Purchaser or of ITS, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily acquire any personal interest, direct or indirect, in this Agreement. The Seller warrants that it has removed any material conflict of interest prior to the signing of this Agreement, and that it shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its responsibilities under this Agreement. The Seller also warrants that in the performance of this Agreement no person having any such known interests shall be employed.

5.7 The Seller represents and warrants that no elected or appointed officer or other employee of the State of Mississippi, nor any member of or delegate to Congress has or shall benefit financially or materially from this Agreement. No individual employed by the State of Mississippi shall be admitted to any share or part of the Agreement or to any benefit that may arise therefrom. The State of Mississippi may, by written notice to the Seller, terminate the right of the Seller to proceed under this Agreement if it is found, after notice and hearing by the ITS Executive Director or his/her designee, that gratuities in the form of entertainment, gifts, jobs, or otherwise were offered or given by the Seller to any officer or employee of the State of Mississippi with a view toward securing this Agreement or securing favorable treatment with respect to the award, or amending or making of any determinations with respect to the performing of such contract, provided that the existence of the facts upon which the ITS Executive Director makes such findings shall be in issue and may be reviewed in any competent court. In the event this Agreement is terminated under this article, the State of Mississippi shall be entitled to pursue the same remedies against the Seller as it would pursue in the event of a breach of contract by the Seller, including punitive damages, in addition to any other damages to which it may be entitled at law or in equity.

5.8 Sellers understands and agrees that pursuant to Section 11-7-18, Section 75-2-315.1, and Section 75-2-719 of the Mississippi Code Annotated, there is no disclaimer of the implied warranties of merchantability and fitness for a particular purpose.

ARTICLE 6 INFRINGEMENT INDEMNIFICATION

6.1 Seller represents and warrants, to the best of its knowledge, that neither the software, its elements nor the use thereof violates or infringes upon any copyright, patent, trademark, servicemark, trade secret or other proprietary right of any person or entity. The software manufacturer or third party licensor, as applicable, in accordance with its contract with Purchaser and at its own expense, shall defend or settle any and all infringement actions filed against Seller or Purchaser which involve the software or other items provided under this Agreement and shall pay all settlements, as well as all costs, attorney fees, damages and judgment finally awarded against Purchaser. If the continued use of the Products for the purpose intended is threatened to be enjoined or is enjoined by any court of competent jurisdiction, the software manufacturer or third party licensor, as applicable shall, at its expense: (a) first procure for Purchaser the right to continue using such Products, or upon failing to procure such right; (b) modify or replace them with non-infringing products, or upon failing to secure either such right, (c) refund to Purchaser the purchase price or software license fees previously paid by Purchaser for the Products Purchaser may no longer use. Said refund shall be paid within ten (10) business days of notice to Purchaser to discontinue said use.

6.2 The parties understand and agree that pursuant to Section 100 of the Mississippi Constitution, the State can't agree to indemnify Seller or any third party.

Such personnel shall not be deemed in any way directly or indirectly, expressly or by implication, to be employees of Purchaser. Seller shall pay, when due, all salaries and wages of its employees, and it accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation, and any other withholdings that may be required. Neither Seller nor employees of Seller are entitled to state retirement or leave benefits.

7.3 Any person assigned by Seller to perform the services hereunder shall be the employee of Seller, who shall have the sole right to hire and discharge its employee. Purchaser may, however, direct Seller to replace any of its employees under this Agreement. If Seller is notified within the first eight (8) hours of assignment that the person is unsatisfactory, Seller will not charge Purchaser for those hours.

7.4 It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performances hereunder, and that any sum due and payable to Seller shall be paid as a gross sum with no withholdings or deductions being made by Purchaser for any purpose from said contract sum.

ARTICLE 8 BEHAVIOR OF EMPLOYEES/SUBCONTRACTORS

Any employee or subcontractor acting in a manner determined by the administration of that location to be detrimental, abusive, or offensive to any of the staff and/or student body, will be asked to leave the premises and may be suspended from

further work on the premises. All Seller employees and subcontractors who will be working at such locations to install or repair Products shall be covered by Seller's comprehensive general liability insurance policy.

ARTICLE 9 MODIFICATION OR RENEGOTIATION

This Agreement may be modified only by written agreement signed by the parties hereto, and any attempt at oral modification shall be void and of no effect. Any attempted assignment or transfer of its obligations without such consent shall be null and void. This Agreement shall be binding upon the parties' respective successors and assigns.

10.3 Seller must obtain the written approval of Purchaser before subcontracting any portion of this Agreement. No such approval by Purchaser of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of Purchaser in addition to the total fixed price agreed upon in this Agreement. All subcontracts shall incorporate the terms of this Agreement and shall be subject to the terms and conditions of this Agreement and to any conditions of approval that Purchaser may deem necessary.

10.4 Seller represents and warrants that any subcontract agreement Seller enters into shall contain a provision advising the subcontractor that the subcontractor shall have no lien and no legal right to assert control over any funds held by the Purchaser, and that the subcontractor acknowledges that no privity of contract exists between the Purchaser and the subcontractor and that the Seller is solely liable for any and all payments which may be due to the subcontractor pursuant to its subcontract agreement with the Seller. The Seller shall indemnify and hold harmless the State from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever arising as a result of Seller's failure to pay any and all amounts due by Seller to any subcontractor, materialman, laborer or the like.

If the funds anticipated for the fulfillment of this Agreement are not forthcoming, or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi

to appropriate funds, or if there is a discontinuance or material alteration of the program under which funds were available to Purchaser for the payments or performance due under this Agreement, Purchaser shall have the right to immediately terminate this Agreement, without damage, penalty, cost or expense to Purchaser of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. Further, nothing in this Agreement shall affect any statutory rights Purchaser may have that cannot be waived or limited by contract.

ARTICLE 14 WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

ARTICLE 15 SEVERABILITY

If any term or provision of this Agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Agreement shall be valid and enforceable to the fullest extent permitted by law provided that the State's purpose for entering into this Agreement can be fully achieved by the remaining portions of the Agreement that have not been severed.
