Multi-Tiered System of Supports

# SCREENING PROCESS GRADES 4-12

**MTSS** Multi-Tiered System of Supports

## 1 Establish Teams

Teams should include administrator and may include parents, Teacher Support Team chair, counselor, and all other appropriate faculty and staff.

## 2 Review Screener Data

Examples of possible assessments/screeners all students can complete:

**ASSESSMENTS**
- State Assessments
- State Aligned Benchmark Assessments

**OTHER**
- Curriculum Based Measures
- Oral Reading Fluency Measures
- Maze Measures
- Behavior
- GPA
- Past Curriculum Performance

## 3 Determine Next Steps

| EXCEEDS Performance Standard | MEETS Performance Standard | DOES NOT MEET Performance Standard |
|---|---|---|
| Provide enrichment activities | Continue Tier I high quality classroom instruction | Provide Tier II or Tier III academic and/or behavioral supports |
| | | Utilize interventions, remediation, or other related services (identified through diagnostic assessments) |
