

WHY HQIM? INCENTIVES FOR ADOPTION

High-Quality Instructional Materials (HQIM) can be used to identify students' areas of strength and opportunities for growth, which are sequentially mapped and designed to prepare students to graduate ready for college and the workforce, educative for teachers, and accessible to students with differentiated needs.

HQIM BENEFITS TO TEACHERS

- reduces the number of hours spent pulling resources
- returns the focus to instruction and texts that are on grade-level
- provides the “how” of the MS CCRS
- sets expectations and supports student learning through intended outcomes
- advances the craft of teaching by providing a shared body of knowledge
- provides embedded opportunities to address immediate learning needs of students
- generates the energy and commitment needed to engage in the deeper work of systems change
- provides a coherence across grade levels, resulting in necessary prior knowledge

HQIM BENEFITS TO ADMINISTRATION

- dismantles systemic inequalities
- expands equitable access to meaningful learning experiences
- increases teacher retention
- provides the common set of tools and knowledge infrastructure needed for learning to transcend traditional classroom boundaries
- closes achievement gaps
- establishes a common language and set of expectations

ADDITIONAL BENEFITS of purchasing through the portal:

- 5% shipping
- No Reverse Bid Process Needed
- Purchasing efficiency: Amount of time to receive materials reduced
- Cost reductions
- Purchases recorded in Textbook Inventory Management System (TIMS)

“With the adoption of HQIM as a doorway to broader system change, we will have realized a strong, resilient K12 public education system focused on student-centered learning, family-school partnership, participatory problem solving, ongoing discovery, and **pursuit of equitable opportunity**.”
