

## **Chapter 84: Vocational, General Administration (Career and Technical Education)**

*Rule 84.13 Non-State Plan Programs for Career and Technical Education.* Non-State Plan funded programs, not under the Federal Career and Technical Education State Plan, are to be governed by policies, rules and regulations for Career and Technical Education except in instances where special funded programs have been excluded or not allowed by funding regulations. Employment and training funds and/or other non-plan funds are not included in the state career and technical plan.
