As Fiscal Year 2021 moves ahead, it is important for managers to set aside time to meet with all staff to share and plan the work that must be done. This month’s Compliance Updates provides fiscal planning resources to assist with the creation of an office work plan, new email accounts for the Office of Procurement along with reminders concerning the MDE transition-to-work guidance and the related-party questionnaire.

Related-Party Questionnaire

A related party is defined as a relationship in which one party has significant influence or control over another party. These relationships may lead to a conflict of interest, either implied or actual. Section 25-4-3, Miss. Code Ann. (1972), defines a public servant as any elected or appointed official of the government, officer, director, commissioner, supervisor, chief, head, agent, or employee of the State, political subdivision or any other body politic, or any individual who receives a salary, per diem, or expenses paid in whole or in part out of government funds. Section 25-4-105, Miss. Code Ann. (1972), prohibits a public servant from being involved in any related-party transactions to obtain financial benefits for any relative or any business with which he is associated.

The following activities may indicate a related-party transaction:

• Acting as a contractor, subcontractor, or vendor, or having a material interest in an entity serving as a contractor, subcontractor, or vendor, for the governmental entity the public servant is associated with

• Acting as a purchaser at a government sale of the governmental entity the public servant is associated with

• Accepting compensation to influence a decision of the governmental entity the public servant is associated with

• Using or disclosing information gained in the course of employment as a public servant for financial benefit

If an employee or contractor becomes aware that they or a family member may be involved in a related-party transaction the employee or contractor should immediately complete the Related-Party Questionnaire located under forms on the Human Resources webpage (www.mdek12.org/Forms/Related_Party_Questionnaire) and submit it to the Director of Procurement.
