

FALL 2021

Mississippi Academic Assessment Program (MAAP) Accommodation 23 Extended Time and Accommodation 25 Multi-Day Stopping Points

Extended Time (23)

Extended Time (23) is defined as *extended time through the end of day*. The extended time accommodation (23) is different from the multi-day accommodation (25). The extended time accommodation (23) allows students to use up to one full school day to complete a MAAP assessment. A student may have both the extended time accommodation (23) and the multi-day accommodation (25), but this must be listed in their Individualized Education Plan (IEP), Section 504 Plan, or Language Services Plan (LSP) and specified for the respective assessment(s).

Multi-Day Testing (25)

Multi-Day Testing (25) is defined as *administer the test over several days, specifying the duration of each session (Testing must be completed within testing window)*. Below are the Office of Student Assessment (OSA) mandated stops for online and paper testers who have Accommodation 25 included on their IEP/Section 504 Plan/LSP and specified for this assessment. All testers with this accommodation must stop at the designated items each day. Students with a 2-day accommodation will stop at the appropriate item listed below on day 1 and complete the remaining items on day 2. Students with the 3-day accommodation will stop at the appropriate item listed below and complete all remaining items on day 3.
