

National Assessment of Educational Progress
NAEP
July 2022-June 2023

The National Center for Education Statistics (NCES) is sponsoring several assessments for the 2022-2023 school year. Mississippi has been selected to participate in the following four assessments: PISA 2022, NAEP 2023, TIMSS 2023, and ICILS 2023. The assessments are given to a randomly selected group of students from the participating schools.

Dates	Assessment	Description
October 2022	Program for International Student Assessment PISA 2022	An international assessment that measures 15-16-year-old students' reading, mathematics, science, and financial literacy every 3 years.
October 10 - December 16, 2022	National Assessment of Academic Progress NAEP 2023 (LTT)	NAEP Long-Term Trend (LTT) Mathematics and Reading assessment for 13-year-old students administered in fall 2022.
March 20 - April 14, 2023	National Assessment of Academic Progress NAEP 2023 Field Test	The National Assessment of Educational Progress (NAEP) is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas such as mathematics, reading, civics, US history, and science. NAEP Field tests will be administered at grades 4, 8, and 12 in spring 2023.
March 1 - May 23, 2023	Trends in International Mathematics and Science Study TIMSS 2023	An international assessment that provides reliable and timely trend data on the mathematics and science achievement of U.S. students compared to that of students in other countries administered to students in grades 4 and 8 in spring 2023.
March 1 - May 23, 2023	International Computer and Information Literacy Study ICILS 2023	A computer-based international assessment of 8th-grade students' capacities in computer and information literacy along with computational thinking.
