# ISIP Assessment Script

PreK and Kindergarten students preparing to take the ISIP

Assessment Day Guidance

"Boys and girls, today is the day! Today, you get to press the green GO button!
The activities will look just like the ones we practiced. You need to stay focused and do your very best. These activities will help me understand what you are really good at and what I need to help you with."

*(optional) "In between each activity, you will see a screen that looks like this. When you get to this screen, you can keep working or you can pause or log out."

"You will click Istation. In the purple section, you will click the black ISIP Reading button." (Or "in the blue section, click the black ISIP Math button.") When you hear the narrator tell to click on the green GO button, give me a thumbs up.

8150 N. Central Expressway, Suite 2000 Dallas, TX 75206 | info@Istation.com | support@Istation.com

"One thing I want you to know. When you finish, you will see a treasure chest. After the treasure chest, you will see the purple and blue home screen. Then you will click the white logout button."

Check for understanding.

"What will we see when we are finished?" (treasure chest)
"What will we do when we see the purple and blue screen?" (Click the logout button.)
"Yes, we will click the white log-out button."

"Click Istation."

"Click ISIP Reading (or ISIP Math)."

"Next you will put your headphones on and click the green GO button. Remember to give me a thumbs up when you hear the narrator."

Watch for their responses. Assist those not hearing the narrator.

*Be sure that students use the Log Out button when they are finished. This ensures that the data gets processed to Istation.
