

Unit 2: Friends

In Unit 2, children will be exploring the concepts of friendship, how to be a good friend, and ways to resolve conflicts with friends. Through the Read Aloud texts, children will learn about the importance of being who you are, helping friends, enjoying special times together, and cooperating with each other. Recognizing that play is a primary vehicle for children to develop relationships with each other, teachers will provide opportunities for children to play with and learn from each other. They also support children as they practice social skills and build friendships by helping them: enter into play, sustain play, and enhance play. Children build on their problem-solving skills developed in Unit 1 in when resolving conflicts with opportunities to identify feelings, describe problems, and alternative solutions. Peer interactions for children who are socially reserved, withdrawn and/or bullied or excluded will be supported.

In addition to listening to stories, children will learn to identify rhyming words and beginning letters and sounds in words, as they build vocabulary and comprehension skills. In this unit, children will also have multiple opportunities to develop beginning writing skills in a variety of genres.

OVERVIEW UNIT 2 RELATED STANDARDS

Big Ideas

- A friend is someone we care for and want to spend time with.
- Friends like to do things together and enjoy each other's company.
- We can have more than one good friend, and we might like to do some things with one friend and other things with other friends.
- Friends usually share and help one another.
- Friends may have conflicts that can cause complex feelings. Usually, friends work together to resolve these problems; a possible solution may be to spend time apart.
- We can make new friends and keep old friends.

Guiding Questions

- How can you find the resources, strategies, and people to solve your problems?
- How do you deal with and express complex feelings in productive and creative ways?
- How do you maintain relationships and connections with others while exploring new ones?
- How do you relate and communicate your feelings, thoughts, and needs to others?
- How do you maintain your sense of self, while compromising and collaborating when necessary?
