The Green Grass Grows All Around

There was a tree.
 A pretty little tree.
 The prettiest little tree
 That you ever did see.
 The tree was in a hole
 And the hole in the ground.
 And the green grass grows
 all around, all around.
 The green grass grows all around.
 Now on this tree
 There was a branch.
 The prettiest branch
 That you ever did see.
 The branch was on the tree
 and the tree in the hole
 and the hole in the ground,
 And the green grass grows
 all around, all around.
 The green grass grows all around.
 Now on this branch, there was a nest...
 Now in the nest, there was a bird...
