How To Make A Car

Step 1

Use a hole punch and make 4 holes in your paper towel tube.

Step 2

Insert sticks in the holes.

Step 3

Clamp a clothespin on each stick close to the paper towel tube.

Step 4

Cut out four wheels and punch a hole in the middle of each circle. Place wheels on stick.

Step 5

Place clothespins on the stick close to the wheel.

Step 6

Add details to your car and try it out on a ramp.
