

# MTSS FLOWCHART FOR PreK-12

To meet the academic and behavioral needs of ALL students

## TIER I

- ALL students receive high quality classroom instruction and supports
- Universal screener data should be used to guide instruction, including dyslexia screener at kindergarten and first grade
- Provide evidence-based researched curriculum instruction that is aligned to Mississippi state standards
- Differentiated instruction to meet the diverse needs of all learners
- Utilize a decision making process that is based on multiple data points when determining the need for additional student supports

## TIER II

- ALL students continue to receive Tier I high quality classroom instruction and supports
- Offer supplemental instruction that includes evidence-based, targeted, skill building interventions for identified skill deficit(s)
- Utilize progress monitoring that is aligned to the supplemental intervention and the student goals
- Provide individual or small group targeted instruction/intervention and supplemental supports to meet the academic or behavioral needs
- Employ a decision making process that is based on multiple data points when determining the need for additional student supports or returning a student to Tier I, adjusting or changing the Tier II intervention, or referral to the Teacher Support Team

## TIER III

- ALL students continue to receive Tier I high quality classroom instruction and supports
- Offer intensive intervention that includes evidence-based, targeted, skill building interventions for the identified skill deficit(s) (increased intensity and frequency and smaller group size)
- Utilize progress monitoring that is aligned to the intensive intervention and the student goals
- Employ a decision making process that is based on multiple data points when determining the need for additional student supports. This may include: continuing Tier III with the same intervention, with an additional intervention attempted, or a change in intervention; returning to Tier II; returning to Tier I – **OR** – be referred to the Multi-disciplinary evaluation team (MET) to determine the need for a comprehensive assessment through the child find process

## CHILD FIND

- Students suspected of having a disability continue to receive high quality classroom instruction and supports
- Request (written or verbal) a comprehensive assessment for children suspected of having a disability immediately to school personnel
- Obtain written consent for the evaluation from the parent prior to the assessment
- Do NOT allow the MTSS process to delay nor deny the appropriate evaluation of a child suspected of having a disability
- Understand the MTSS process is not a prerequisite for a comprehensive assessment request
- Develop an Individualized Educational Program (IEP) for students eligible for special education services
- Determine if students not eligible for an IEP should return to the MTSS process and if they are eligible for a 504 plan
