SCHOOL YEAR _________________________________  GRADE LEVEL(S) ______________________________

DIRECTIONS: This form is a tool to assist school librarians in setting a SMART goal that results in measurable library program progress. The SMART goal should be collaboratively developed by the school library advocacy committee. Library Program Growth Plan is due to administrators by the end of September of each school year.

SETTING
Describe the population and any special circumstances

STUDENT LEARNING
Describe how this will improve student learning

BASELINE DATA
Describe what data is being used and how it helps with the goal

SMART GOAL
Describe what you want learners to accomplish using SMART elements

RESOURCES/SUPPORT NEEDED
Describe any resources, support, and/or training that is needed to accomplish goal

MEANS FOR ATTAINING SMART GOAL
Strategies used to accomplish the goal

<table>
<thead>
<tr>
<th>Indicators of Progress</th>
<th>Evidence</th>
<th>Target Date</th>
</tr>
</thead>
</table>
### MEANS FOR ATTAINING SHORT-TERM GOALS

<table>
<thead>
