

# LIBRARY PROGRAM GROWTH PLAN

Library Monitoring Rubric - Section 2.2  
Librarian Growth Rubric - Standard 1  
School Library Guide - Section 6.8

**SCHOOL YEAR** \_\_\_\_\_ **GRADE LEVEL(S)** \_\_\_\_\_

**DIRECTIONS:** This form is a tool to assist school librarians in setting a SMART goal that results in measurable library program progress. The SMART goal should be collaboratively developed by the school library advocacy committee. Library Program Growth Plan is due to administrators by the end of September of each school year.

### SETTING

Describe the population and any special circumstances

### STUDENT LEARNING

Describe how this will improve student learning

### BASELINE DATA

Describe what data is being used and how it helps with the goal

### SMART GOAL

Describe what you want learners to accomplish using SMART elements

### RESOURCES/SUPPORT NEEDED

Describe any resources, support, and/or training that is needed to accomplish goal

**MEANS FOR ATTAINING GOALS** Strategies used to accomplish the goal

Goal	Indicators of Progress	Evidence	Target Date
