MSIS # 132170 Career Preparation I (9C)
Ninth Grade

Student Name: _____ Date of Birth: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9C								Other (Specify)
	<i>Orientation/Mobility Skills in the Community</i>							
9C1.	Develop map and globe skills. A. Location B. Direction							
9C2.	Demonstrate use of various graphic organizers. A. Directories B. Graphs C. Charts D. Maps							
	<i>Local Government</i>							
9C3.	Demonstrate an awareness of local officials and their functions.							
9C4.	Demonstrate an awareness of the impact of local government on life in local communities. A. Education B. Society							
	<i>Mississippi History</i>							
9C5.	Demonstrate an awareness of the impact of significant historical events and people in Mississippi. A. Events B. People							
9C6.	Recognize the impact of natural resources on the development and growth of Mississippi. A. Employment B. Population C. Recreation							
	<i>Economics/The Consumer in the Market Place</i>							
9C7.	Recognize the role of individuals in the market place.							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9C	A. Consumer B. Citizen C. Worker							
9C8.	Demonstrate an awareness of the basic supply-and-demand concept as it applies to one's role as consumer, citizen, and worker.							
9C9.	Identify various financial institutions. A. Commercial banks B. Savings and loans C. Credit unions							
9C10.	Identify services within financial institutions. A. Money orders B. Traveler's checks C. Checking accounts D. Savings accounts E. Loans F. Credit cards							
<i>Current Events</i>								
9C11.	Describe current news stories from various perspectives.							
9C12.	Explain the significance of holidays in relationship to employment and leisure activities.							
9C13.	Demonstrate an awareness of the impact of continuing population growth.							
<i>Personal Qualities</i>								
9C14.	Demonstrate self-advocacy skills. A. Expressing feelings of self-worth B. Describing others' perceptions of self C. Accepting and giving criticism D. Developing a positive view of self E. Practicing personal safety							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9C								
9C15.	Develop the ability to recognize responsible behavior in self and in others.							
	A. Respecting the rights and properties of others							
	B. Respecting authority and following instructions							
	C. Exerting a high level of effort							
	D. Setting and achieving goals							
9C16.	Demonstrate an awareness of appropriate communication and social skills.							
	A. Personal relationships							
	B. Group and individual work activities							
	C. Group and individual leisure activities							
	D. Utilization of available community resources							
9C17.	Recognize diversity among multicultural populations.							
	A. Gender							
	B. Race							
	C. Ability/Interest							
	D. Language							
9C18.	Develop an awareness of independent behaviors.							
	A. Self-advocacy							
	B. Self-organization							
	C. Effects of one's behavior on others							
9C19.	Develop appropriate decision-making skills.							
	A. Locate and select sources of assistance							
	B. Anticipate consequences							
	C. Develop and evaluate alternatives							
	D. Recognize the nature of the problem							
	E. Develop goal-setting behavior							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9C								
	<i>Career Exploration</i>							
9C20.	Recognize considerations to be made in exploring occupational possibilities.							
	A. Monetary compensation for work							
	B. Sources of occupational and training information							
	C. Personal values met through work							
	D. Occupational categories							
	E. Local occupational and training opportunities							
9C21.	Develop an awareness of variables that may affect occupational choices.							
	A. Requirements of available jobs							
	B. Aptitudes							
	C. Occupational interests							
	D. Needs							
	<i>Career Preparation</i>							
9C22.	Exhibit appropriate work habits and behaviors.							
	A. Following directions and observing regulations							
	B. Recognizing the importance of attendance and punctuality							
	C. Recognizing the importance of supervision							
	D. Demonstrating knowledge of occupational safety practices							
	E. Working with others							
	F. Meeting demands for quality work							
	G. Working at a satisfactory rate							
9C23.	Develop a job placement portfolio.							
	A. Résumés							
	B. Job applications							
	C. Personal goal statement							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9C	D. Letters of introduction							
	E. Letters of recommendations and/or references							
	F. Personal information data							
	G. Career interest information							
	H. Awards/Certificates							
	I. Student-selected material

MSIS # 132135 Employment English I (9E)
Ninth Grade

Student Name: _____ Date of Birth: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9E								
9E1.	Recognize main idea in written, oral, and visual formats.							
9E2.	Follow simple oral and written directions given in a variety of situations.							
9E3.	Use personal learning strategies to gain meaning from written material.							
9E4.	Determine when more information is needed and ask appropriate questions.							
9E5.	Determine when argument and propaganda are being used in written, oral, and visual forms. A. Fact versus opinion B. Bandwagon (joining the crowd) C. Appeal to emotions							
9E6.	Read to gain information needed in daily living.							
9E7.	Read and comprehend information from textual material.							
9E8.	Identify and use various sequential patterns to organize information.							
9E9.	Explain the definitions of terms related to the workplace and to daily living. A. Basic survival vocabulary (1) Employment (2) Safety (3) Information (4) Food and cooking (5) Personal needs							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9E								
	(6) Home and school							
	B. Basic computer vocabulary							
9E10.	Use appropriate vocabulary in writing, speaking, and presenting.							
9E11.	Use appropriate oral language.							
9E12.	Use the basic conventions of standard English. A. Mechanics B. Usage and syntax C. Spelling							
9E13.	Write to clarify information and to organize thinking.							
9E14.	Write to express meaning in personal and business situations. A. Personal B. Business							
9E15.	Communicate by telephone and/ or other communication devices. A. Exhibit appropriate etiquette B. Leave and take messages C. Identify procedures to: (1) Request information (2) Order goods and services (3) Arrange an appointment or make a reservation (4) Report problems							
9E16.	Develop communication skills through the effective use of tone, inflection, tempo, enunciation, pronunciation, eye contact, and body language.							
9E17.	Demonstrate effective oral communication in personal and school situations.							
9E18.	Use effective listening and viewing skills in a variety of situations.

MISSISSIPPI OCCUPATIONAL DIPLOMA PORTFOLIO
MSIS # 132153 Job Skills Math I (9M)
Ninth Grade

Student Name: _____ Date of Birth: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9M								
	<i>Number Sense, Number Systems, Number Theory</i>							
	<i>Numeration</i>							
9M1.	Read, write, compare, and order whole numbers.							
9M2.	Recognize and write number words representing numerals 0-100.							
9M3.	Compare and order quantities using ordinal numbers.							
9M4.	Identify Roman numerals. A. I, II, III, IV, V, VI, VII, VIII, IX, X, XI, XII B. 50-L C. 100-C							
9M5.	Count by multiples.							
9M6.	Distinguish between odd and even numbers.							
9M7.	Identify place value through hundred thousands.							
9M8.	Estimate answers to problems involving addition, subtraction, multiplication, and division.							
9M9.	Recognize signs associated with basic operations. A. + B. - C. x D. ÷							
9M10.	Determine and apply the most appropriate method of calculation.							
9M11.	Demonstrate proficiency in addition, subtraction, multiplication, and division.							
<i>Fractions</i>								
9M12.	Read and write fractions.							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9M								
9M13.	Identify fractional parts of whole objects.							
	A. 1/2							
	B. 1/3							
	C. 1/4							
	D. 1/6							
	E. 1/8							
Money Skills								
9M14.	Write money amounts.							
	A. Numerical - dollar and cents notation							
	B. Words							
9M15.	Identify coins and currency.							
9M16.	Round money values to the nearest dollar and/or nearest dime.							
9M17.	Compare and order amounts of money.							
9M18.	Find sums and differences of amounts of money.							
9M19.	Determine, count, and make change in solving problems.							
Money Management								
9M20.	Differentiate between needs and wants.							
9M21.	Identify remunerative aspects of work.							
9M22.	Understand differences between remunerative and volunteer work.							
Personal Finances								
9M23.	Select items within a hypothetical budget.							
	A. Weekly shopping list							
	B. School wardrobe							
	C. Leisure activities							
Processing Information								
9M24.	Interpret data in terms of more, less, same, most, and least.							
9M25.	Determine the use of vocabulary of logic in speaking and writing.							
	A. All							
	B. Some							
	C. None							
	D. Or							
	E. And							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9M								
	F. Every							
	<i>Geometry, Spatial Sense, Measurement</i>							
	<i>Basic Geometric Concepts</i>							
9M26.	Demonstrate an understanding of greater than, less than, and equal concepts.							
9M27.	Recognize and name shapes.							
9M28.	Identify geometric representations.							
	A. Lines							
	B. Perpendicular lines							
	C. Parallel lines							
	D. Angles - 45 degrees and 90 degrees							
	<i>Measurement</i>							
9M29.	Demonstrate proficiency in basic measurement.							
9M30.	Select and use appropriate units of measurement.							
	A. Linear							
	B. Temperature							
9M31.	Identify equivalent measures within a system using a conversion chart.							
	A. 12 inches = 1 foot							
	B. 3 feet = 1 yard							
	C. 36 inches = 1 yard							
	D. 5,280 feet = 1 mile							
	E. 2,000 pounds = 1 ton							
	F. 12 items = 1 dozen							
	G. 2 pints = 1 quart							
	H. 4 quarts = 1 gallon							
	I. 3 teaspoons = 1 tablespoon							
	J. 100 centimeters = 1 meter							
9M32.	Discriminate and select terms of comparison to express measurement of length, height, width, weight, and capacity.							
9M33.	Read the Fahrenheit thermometer.							
9M34.	Identify related abbreviations and/or symbols to their corresponding units of measure.							
9M35.	Select and use appropriate tools for measurement.							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9M								
	A. Measuring cup and spoon							
	B. Ruler							
	C. Yard/meter stick							
	D. Tape measure							
	E. Produce scale							
	F. Bath scale							
	<i>Processing Information</i>							
9M36.	Compare data in terms of more, less, same, most, and least.							
	<i>Time and Calendar Skills</i>							
9M37.	Relate daily events to time on clock/calendar.							
9M38.	Identify vocabulary associated with time.							
	A. a.m.							
	B. p.m.							
	C. Noon							
	D. Midnight							
	E. Daylight Saving Time							
9M39.	Tell and record time using digital and analog clocks.							
9M40.	Recognize the time of day to the nearest one-minute interval using digital and/or analog clocks.							
9M41.	Write time using numerical notations.							
9M42.	Identify equivalent units of time.							
	A. 24 hours = 1 day							
	B. 60 minutes = 1 hour							
	C. 12 months = 1 year							
	D. 60 seconds = 1 minute							
	E. 7 days = 1 week							
	F. 52 weeks = 1 year							
9M43.	Set a digital and/or analog clock/watch to a designated time.							
9M44.	Locate day, date, and month on a calendar.							
9M45.	Identify abbreviations for units of time on a calendar.							
	A. Days of week							
	B. Months of year							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9M								
	<i>Basic Algebraic and Geometric Skills</i>							
9M46.	Determine and use the most appropriate method of calculation.							
	<i>Patterns, Functions, Algebra</i>							
	<i>Basic Calculator and Computer Skills</i>							
9M47.	Demonstrate basic calculator skills.							
	A. Addition							
	B. Subtraction							
	C. Multiplication							
	D. Division							
9M48.	Demonstrate basic computer skills in keyboarding.							
	<i>Probability, Statistics, Discrete Mathematics</i>							
	<i>Processing Information</i>							
9M49.	Interpret data from tables, charts, graphs, and maps.

MSIS # 132181 Life Skills Science (9L)
Ninth Grade

Student Name: _____ Date of Birth: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9L	<i>Nutrition, Physical Fitness, and Personal Health</i>							
9L1.	Identify foods necessary for good nutrition and design healthful meals.							
9L2.	Locate and identify nutritional information.							
9L3.	Identify health practices that prevent/reduce risk of illness occurring.							
9L4.	Identify common health concerns of teenagers and young adults and describe strategies to reduce health risks.							
9L5.	Identify risks associated with smoking, drinking, and drug use.							
	A. Legal consequences							
	B. Harmful effects on body							
	C. Harmful effects on an unborn child							
	D. Potential harmful effects on user and family members							
9L6.	Recognize the importance of using prescription and over-the-counter drugs appropriately.							
9L7.	Name the body systems and identify their functions.							
	A. Digestive							
	B. Skeletal							
	C. Muscular							
	D. Circulatory							
	E. Excretory							
	F. Reproductive							
	G. Respiratory							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9L								
	H. Nervous							
	I. Immune							
	<i>Hygiene, Grooming, and Dress</i>							
9L8.	Practice health-promoting hygiene and demonstrate positive personal care habits.							
9L9.	Identify proper products for hygiene and places to obtain them.							
9L10.	Select the appropriate attire for home, school, community, and leisure situations.							
9L11.	State procedures for handling foods.							
9L12.	Explain consequences of mishandling food.							
	<i>Basic and Personal Safety</i>							
9L13.	Identify factors contributing to accidents.							
9L14.	Describe basic safety precautions and procedures around the home, school, and community.							
A.	Fire safety							
B.	Handling sharp objects							
C.	Mobility safety							
D.	Chemical storage							
E.	Storage and use of pesticides and other poisons							
F.	Storage and use of flammables							
9L15.	Prepare for emergency situations.							
9L16.	State reasons for allowing only known persons to enter one's home.							
9L17.	Identify skills necessary to avoid health risks.							
A.	Asserting							
B.	Negotiating							
C.	Refusing							
	<i>Procedures and Information Related to Emergency Situations</i>							
9L18.	Develop emergency plans.							
A.	Home							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	Work Samples
9L								
	B. Work							
9L19.	Develop a list of telephone numbers to keep in several places to be used in emergency situations.							
	A. Classroom							
	B. Personal							
	C. Home							
	D. Car							
	E. Work							
9L20.	State procedures to obtain emergency help.							
<i>Family and Society</i>								
9L21.	Demonstrate skills for relationships.							
	A. Identifying factors important for successful friend/dating relationships							
	B. Listing characteristics to look for in a friend/date/prospective mate							
	C. Naming appropriate places and ways to meet new people							
	D. Discussing appropriate ways of interacting/ expressing feelings in a friend/dating relationship							
	E. Listing effective ways of saying "NO" to a sexually inappropriate request							
	F. Listing activities that can be shared with friends, family, and dates							
<i>Environmental Issues</i>								
9L22.	Identify environmental changes.							
9L23.	Recognize renewable and non-renewable resources.							
9L24.	Identify the methods for conserving nonrenewable and renewable natural resources.							
9L25.	Name methods of pollution control of the air, water, noise, and soil.							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9L								
	<i>Earth and Space Science</i>							
9L26.	State aspects of weather							
	A. Precipitation							
	B. Storms							
	C. Thunder/Lightning							
	D. Temperature							
	E. Wind							
9L27.	Make informed decisions about weather and describe its effects on life.							
	A. Safety precautions for severe weather and extreme temperatures							
	B. Clothing for protection from the weather							
	C. Appropriate activities for various weather conditions							
9L28.	Explain the use of weather instruments in predicting and recording weather.							
	A. Weather map							
	B. Barometer							
	C. Rain gauge							
	D. Hygrometer (relative humidity)							
	E. Wind vane/anemometer							
	F. Thermometer							
	G. Radar							
	H. Satellites							
9L29.	Identify terms and symbols used by meteorologists.							
	A. High pressure/low pressure							
	B. Cold front/warm front							
	C. Humidity							
	D. Wind chill/heat index							
9L30.	Describe the water cycle.							
9L31.	Describe the Earth's biomes and their populations.							
9L32.	Name the components of the universe.							
9L33.	Identify tools used in obtaining information about the universe.							
9L34.	Link the revolution of the Earth and its tilt around the sun with the seasons.							

Student Name: _____

Item Code	Content Standard	TYPES OF EVIDENCE						Other (Specify)
		Acceptable Date	Verifying Person	Teacher Selected Test	Observation	Forms	Checklist	
9L								
	<i>Physical Science</i>							
9L35.	Distinguish between an open circuit and a closed circuit.							
9L36.	Identify different types of machines. A. Simple B. Compound							
9L37.	Identify the common states of matter. A. Solid B. Liquid C. Gas							
9L38.	List some common physical properties.							
9L39.	Describe physical changes.							
9L40.	Identify the products of some chemical changes.							
9L41.	Identify mixtures.							
9L42.	Identify solutions.
