**Why was my school identified for Comprehensive Support and Improvement?**

**METHOD 01**
Your school’s graduation rate is less than or equal to 67%.
If your school was identified in 2018-19, graduation data from 2017-18 was used for identification. Future identification will be based on graduation data from every 3rd year.

**METHOD 02**
Your school ranks in the bottom 5% of Title IA schools.
If your school was identified in 2018-19, data from 2017-18 was used for identification. Future identification will be based on data from every 3rd year.

**METHOD 03**
Your school was previously an Additional TSI school with 3 consecutive years of subgroup proficiency performance (ELA or math) at or below that of all students in the bottom 5% of Title IA schools.
Identification for this group will begin in 2021-22.

**How can my school exit Comprehensive Support and Improvement?**

**01.** If your school was identified because of METHOD 01
**AFTER 3 YEARS**
Your school’s graduation rate is above 67%

**02.** If your school was identified because of METHOD 02
**AFTER 3 YEARS**
Your school is above the bottom 5% of Title IA schools

**03.** If your school was identified because of METHOD 03
**AFTER 3 YEARS**
Your school is above the bottom 5% of Title IA schools

**What supports will my school receive from Comprehensive Support and Improvement?**
Schools will be categorized into two levels for differentiated CSI support.

**Support Level 1**
- [bottom 30% (at a minimum):](#)
  - face-to-face embedded coaching support
  - access to formula grants
  - priority access to professional development (literacy, leadership, blended learning concepts, other content areas)
  - quarterly regional leadership team meetings (3-4 people per school)
  - quarterly regional leadership webinars

**Support Level 2**
- virtual coaching support
- access to formula grants
- priority access to professional development (literacy, leadership, blended learning concepts, other content areas)
- quarterly regional leadership team meetings (3-4 people per school)
- quarterly regional leadership webinars
