

2022 – 2023 Advanced Placement Webinar Series

Join us for these free, collaborative sessions throughout the year to help strengthen and support your AP programs! These sessions are geared towards District & School Administrators including AP Coordinators & Counselors.

When	Webinar	Description
August 10, 2022	AP Kick-Off	Learn how to get started with beginning of the year administrator, teacher and student responsibilities. We will also dive into AP Classroom to help students and teachers access all things AP!
September 7, 2022	Using Data to Information Instruction: AP Instructional Planning Report	Learn how to access and disaggregate AP Reports; use trend and year-to-year data to plan lessons; identify learning gaps; and adjust instructional pacing. You will leave this session with the ability to evaluate your AP Exam scores and make data-driven curricular and instructional decisions to ensure that more students find success in AP Classes.
October 19, 2022	Resources and Tools for Supporting AP	The College Board offers engaging and educational websites for you and your students. Learn how to access and navigate Big Future. --all full of concrete details for identifying strengths, improving skill weaknesses, improving test results, and navigating the college and career search. You will survey these sites and identify ways not only to use these resources, but also to introduce them for implementation by a variety of audiences.
January 18, 2023	Equity and Access: AP Potential	The College Board strongly encourages educators to make equitable access a guiding principle for their AP Programs by giving all willing and academically prepared students the opportunity to participate in AP, and by eliminating barriers that restrict access to AP for students from ethnic, racial, and socioeconomic groups. Learn best practices to support a rigorous curriculum for all. You will be provided research and online tools to help students and families aspire, explore, choose, and enroll in AP Courses in your institution. You will also identify and develop strategies appropriate for the culture of your school or district.
February 15, 2023	Targeting Middle School Students/Pre-AP Strategies	Learn and discuss how to identify and prepare students for the skills required when working towards an AP course. Success stories, vertical/horizontal teaming strategies, and best practices to help build the pipeline and support an AP program in your school/district.
March 22, 2023	Last minute tips for AP Exam Review	This session addresses AP Exam readiness. You will learn about how to access online tools that will benefit students before and during AP Exam administration. Strategies including the constructing and administering of practice exams, as well as completing free response and multiple-choice questions will also be shared.
