

USING MAJORCLARITY FOR ISP COMPLETION

The Mississippi Department of Education partnered with MajorClarity to help you meet the following state requirements for Standard 14.1.1 by facilitating career awareness, exploration and post-secondary plans.

This guide provides step-by-step resources to help you meet the state mandated requirement.

Requirements for Standard 14.1.1

1. Start career explorations and career pathway selection with students.
2. Develop the 5 year plan during students' 7th grade year.
3. Facilitate student participation, and yearly revision of the plan.
4. Document students' graduation diploma option.
5. Obtain parent/guardian signatures.
