

## PARCC Results for Grades 3 – 8 Mathematics and English Language Arts-2015

### Background

In school year 2014-15, students across the state participated in the PARCC testing program in Algebra I, English II, and grades 3 – 8. The PARCC assessments were developed to measure the College and Career Ready Standards using “next generation” assessment items and performance tasks. Students’ answers were scored (raw score) and converted into scale scores that range from 650 to 850 points. These scale score values are compared to performance level “cut scores” and assigned PARCC performance levels.

The table below compares the PARCC Levels to those used by the Mississippi Curriculum Test 2<sup>nd</sup> Edition (MCT2), along with the School/District Accountability Rating Levels. These comparisons are not linked technically but rather illustrate how a five-level rating system is generally seen. PARCC does not use the term “proficient” in its labeling system.

PARCC Levels	PARCC Statement	MCT2 Levels	Accountability Rating Levels
5	Distinguished Understanding	Advanced	A
4	Strong Understanding	Proficient	B
3	Adequate Understanding		C
2	Partial Understanding	Basic	D
1	Minimal Understanding	Minimal	F
