## Overview

The Literacy-Based Promotion Act's (LBPA) purpose is to improve the reading skills of kindergarten through 3<sup>rd</sup> grade students enrolled in the public schools so that every student completing the 3<sup>rd</sup> grade is able to read at or above grade level. - use root words, prefixes, and suffixes to change word meanings use reference material to determine meaning.

## Did Not Meet Requirements:

A student who scores “did not meet requirements” will require additional interventions and supports in the skills listed above. Students may also have a minimal understanding of the following skills:

- apply phonetic analysis to decode unknown words;
- determine story elements, the main idea, and cause/effect in literary and informational texts;
- respond to literal comprehension questions and summarize short story selections;
- demonstrate an understanding of a variety of informational resources by following written directions and using captions;
