MISSISSIPPI MIGRANT EDUCATION SERVICE CENTER (MMESC)

August 2021 Parental Involvement Brief Report

Date: 9/8/2021 Prepared by Monika Lorinczova, MMESC Parental Involvement Coordinator

Parental Involvement

Back-to-School migrant parent meetings:

- o Tuesday, **8/3/2021** at 6 pm:
 - Attended by 7 migrant parents from Meridian (3x), Morton (2x), Carthage, and Drew, MS.
 - Parents received information on the importance and benefits of regular school attendance, good communication with schools and the MMESC, and the recent developments in COVID-19 measures with regards to the new school year.
 - Educational Services Coordinator presented plans for educational services for upcoming school year and informed parents on how they can participate.
 - 4 intermittent teachers were present for migrant parents to meet and ask questions.
- o Saturday, **8/7/2021** at 10 am:
 - Despite having attendance confirmations from two families from Houston and Tupelo, MS, no migrant families were able to attend in the end.

Preparation of upcoming virtual parent meetings and family events:

- Exploring possibilities and preparing resources for future parent meetings as per parents' interests expressed in the 2021 Migrant family Survey.
- Conversations with MSU Psychology Clinic about the options for collaboration on a parent meeting on Behavioral Issues in Children, the most desired topic as per the 2021 Migrant family Survey.

• 2021 Migrant Family Survey

- o Initiated at 6/26/2021 statewide PAC meeting.
- Currently underway; will continue into Fall 2021 as migrant families are reached via phone or in person statewide.
- o 11 surveys (1 survey per each family) completed to date statewide.

- Bold number below each option demonstrates the number of
- respondents choosing given option. Questions number 2 and 6 are simple choice; questions number 1, 3, 4, and 5 are multiple choice.

1. Parents would like to receive	2.Technology available in home	3.Currently used educational resources	4.Topics of interest	5.Preferred days and times for meetings	6.Preferred way to attend meetings
Assistance with communication with school	Cell phone without internet	MobyMax 2	Educational tips 7	Weekday afternoon 5	In person 0

0		0	
		Not interested in parent meetings	
		3	

• Individual Zoom sessions and phone calls:

- Training of interested migrant families on the use of ZOOM Cloud Meetings application – statewide.
- Phone calls and text message communication with families unable to use video sessions statewide.
- Support and educational services provided, including reading and comprehension Zoom sessions.
- o Educating parents on involvement in their children's education.
- Provision of information on and encouragement to participate in summer activities, offered by both MMESC and other agencies; facilitated students' participation in said activities.
- Assistance with individual students' issues.

Ready 4K

Ready 4K:

- o Informing families about the program.
- o Signing up interested families for the program.
- o Updating of contact information where needed.
- Follow up with families on the use of received educational tips and activities.
- o Currently 45 active enrollments.

Out-of-School Youth
(OSY)

- No OSY were recruited in August 2021.
- OSY Services, for the existent OSY's, were provided by:
 - WILSON KENDRICK in Kemper, Noxubee and Stone County, as: OSY Life Skills Training, OSY Other Tutoring and Referral Services.

NOTES: Regarding Student to date:

- * The decrease in the number of recruited students is due to the COVID-19 pandemic.
- * Note that the Service hours total does not reflect all the servicing efforts made in AUGUST 2021, as there were additional 269 unsuccessful service attempts to provide distance learning services (due to cancellations, technological issues, relocation, etc.).
