2020-2021 Title IV-A Public Reporting

The Title IV, Part A Student Support and Academic Enrichment Grants (SSAE) are used to improve student academic achievement by increasing the capacity of States, local educational agencies, schools, and local communities to provide the following:

- Access to a well-rounded education
- Improvement of school conditions for student learning (safe and healthy students)
- Improvement of the academic achievement and digital literacy of all students through the effective use of technology.

Local Educational Agencies (LEAs) that receive at least \$30,000 in SSAE program funds must conduct a comprehensive needs assessment that includes, at a minimum, a focus on the three content areas identified below. Based on the results of that assessment, the LEA must use:

- At least 20% of funds for activities to support well-rounded educational opportunities
- At least 20% of funds for activities to support safe and healthy students
- A portion of funds for activities to support effective use of technology

Title IV-A LEA Expenditure Summary

(Between July 1, 2020 and June 30, 2021)
