Description of App Features:

- Lead Capture – a device which allows the exhibitor to capture shared information for each attendee badge scanned by the device.
- Splash Ad – an image of your company logo that acts as the front page prior to displaying the METIS homepage. When users open the app, this is the first thing they see.
- Banner Ad – Is a rectangular image of your company's logo that stretches across the top of the METIS homepage. It is intended to attract traffic to your booth and direct attendees to your company's website. These ads rotate every few seconds.

Booth assignments will NOT be made until fees are paid in full. Booth assignments are on a first-come, first-served basis.
