ESSA aims to scale back the hands-on federal role in elementary and secondary education found in No Child Left Behind (NCLB) legislation.

In Mississippi, ESSA is essentially the refinement of activities supporting the Mississippi Board of Education's Strategic Plan.

- District of Transformation – established by state law, an interim superintendent is assigned to districts where Governor has declared a state of emergency
- Comprehensive Support and Improvement (CSI) – bottom 5% of Title I A schools
- Targeted Support and Improvement (TSI) – bottom 5% of Title I A schools not identified for CSI in which school subgroup performance is poor

SCHOOL IDENTIFICATION METHOD for CSI:

- bottom 5% of Title I A schools (identification in 2018-19 based on 2017-18 data; subsequent identification every 3rd year); OR
- graduation rate less than or equal to 67% (identification in 2018-19 based on 2017-18 data; subsequent identification every 3rd year); OR
- previously identified Title I A Targeted Support and Improvement school with 3 consecutive years of subgroup proficiency performance (ELA or math) at or below that of all students in the bottom 5% of Title I A schools (identification for this group to begin in 2021-22)

EXIT from CSI:

- above the bottom 5% of Title I A schools after 3 years; OR
- graduation rate over 67% after 3 years; OR
- subgroup performance above that of all students in the bottom 5% of Title I A schools for 3 consecutive years

SUPPORTS for CSI:

- CSI Support Level 1: [bottom 30% (at a minimum)]: face-to-face embedded coaching support; access to formula grants; priority access to professional development (literacy, leadership, blended learning concepts, other content areas); quarterly regional leadership team meetings (3-4 people per school); quarterly regional leadership webinars
- CSI Support Level 2: virtual coaching support; access to formula grants; priority access to professional development (literacy, leadership, blended learning concepts, other content areas); quarterly regional leadership team meetings (3-4 people per school); quarterly regional leadership webinars

NOTE: All "F" schools, regardless of identification for support, will have priority access to the following supports: professional development (literacy, leadership, blended learning concepts, other content areas); quarterly regional leadership team meetings (3-4 people per school); and quarterly regional leadership webinars

SCHOOL IDENTIFICATION METHOD #1 and EXIT for TSI:

- bottom 5% of Title I A schools not identified for CSI in which 3-year average growth in school subgroup proficiency is less than the target proficiency growth rate projected for the same statewide subgroup; AND
- school subgroup proficiency rate is less than statewide target proficiency rate for the same statewide subgroup in any of the 3 years being calculated (identification in 2018-19 based on 2015-16, 2016-17, and 2017-18 data; subsequent annual identification based on most recent 3-year data trend)
- EXIT: 3-year average growth in subgroup proficiency exceeds target proficiency growth rate projected for the same statewide subgroup

SCHOOL IDENTIFICATION METHOD #2 and EXIT for TSI:

- 3-year average subgroup performance is at or below that of all students in the lowest performing schools (bottom 5% of Title I A schools) (identification in 2018-19 based on 2015-16, 2016-17, and 2017-18 data; subsequent annual identification based on most recent 3-year data trend)
- EXIT: subgroup performance above that of all students in the lowest performing schools (bottom 5% of Title I A schools), based on identification year data
