Amendment Number One  
Offeror Questions and Answers  
March 1, 2021

1. RFP Page 2, Section 2.1 Instructions for Delivery

**QUESTION:** We are hoping to clarify the training materials submission requirement in section 2.1 of the RFx. Due to privacy issues, we may not be able to provide many of these requested materials. Can you clarify if this component is a requirement and you are requesting a box of all training materials that would be used in the program?

*Pg. 4 and 10-14 of the RFP outlines the format and procedures for delivery of proposals. Training materials are a required component of the proposal.*

**GENERAL**

2. Please clarify whether and how the Pre-K through Grade 3 Literacy Professional Development Training RFx 3120002161 and the Evidence-based Academic Interventions RFx relate to each other.

*The Pre-K through Grade 3 Literacy Professional Development Training and the Evidence-based Interventions are two different proposals and will be scored by two different committees.*

3. If a vendor is selected to provide services under the Evidence-based Academic Interventions RFx, will these services include professional development in how to implement the chosen intervention with fidelity? Or will that vendor also need to be awarded a contract under RFx 3120002161 in order to provide program-specific professional development?

*The RFQ for Evidence-Based Academic Interventions is not a part of the Pre-K through Grade 3 Literacy Professional Development Training proposal.*

4. Will electronic signatures (via DocuSign) be accepted? *Yes*

**NOTE:** This amendment is hereby made a part of the Mississippi Department of Education’s Request for Proposal Mississippi Pre-K through Grade 3 Literacy Professional Development Training. This document must be signed and returned with your response to the RFP to acknowledge that you received the amendment and that you have accounted for it in your response to the Request for Proposal.
