1. **The Scope of Work/Job Duties will include:** assist with the collection of school-wide data, required program documentation, and provide on-site monitoring to ensure program compliance; provide technical assistance to districts, schools, administrators, teachers, and parents on the state-wide Gifted Program and the required guidance for public schools related to gifted services; assist with the monitoring of the effective implementation of Gifted Programs and requirements. Other duties, as assigned; and available to travel to designated areas of the state to monitor Gifted Programs in districts and schools.

**QUESTION:** Is it possible for a current gifted teacher to serve in this position?

*The majority of these tasks will be required to be conducted during a typical school day and therefore not possible for a current gifted teacher to serve in this position.*

NOTE: This amendment is hereby made a part of the Mississippi Department of Education’s Request for Applications Gifted Support Service Specialist. This document must be signed and returned with your response to the RFA to acknowledge that you received the amendment and that you have accounted for it in your response to the Request for Applications.
