(4) Excuse for Nonperformance or Delayed Performance. Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor’s progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, “Termination for Convenience,” in cost-reimbursement contracts, “Termination”).

(As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

(5) Erroneous Termination for Default. If, after notice of termination of Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause,
the rights and obligations of the parties shall, if the contract contains a clause providing for
termination for convenience of the State, be the same as if the notice of termination had been
issued pursuant to a termination for convenience.

(6) Additional Rights and Remedies. The rights and remedies provided in this clause are in
addition to any other rights and remedies provided by law or under this contract.

35. TERMINATION UPON BANKRUPTCY

This contract may be terminated in whole or in part by the MDE upon written notice to Contractor, if
Contractor should become the subject of bankruptcy or receivership proceedings, whether
voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its
creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable
compensation for satisfactory work performed under this contract, but in no case shall said
compensation exceed the total contract price.

36. TRADE SECRETS, COMMERCIAL AND FINANCIAL INFORMATION

It is expressly understood that Mississippi law requires that the provisions of this contract which
contain the commodities purchased or the personal or professional services provided, the price to
be paid, and the term of the contract shall not be deemed to be a trade secret or confidential
commercial or financial information and shall be available for examination, copying, or
reproduction.

37. TRANSPARENCY

This contract, including any accompanying exhibits, attachments, and appendices, is subject to the
25-61-1 et seq. and Mississippi Code Annotated § 79-23-1. In addition, this contract is subject to
the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code

protective order, a copy of this executed contract is required to be posted to the Mississippi
Department of Finance and Administration’s independent agency contract website for public
access at http://www.transparency.mississippi.gov. Information identified by Contractor as trade
secrets, or other proprietary information, including confidential vendor information or any other
information which is required confidential by state or federal law or outside the applicable freedom
of information statutes will be redacted.
