93 the appropriate school district in which such district is located,
94 to be effective on July 1 following the election of the new local
95 school boards. The State Board of Education shall promptly move
96 on its own motion to administratively consolidate a school

98 the affected school districts to reasonably accomplish the
99 resulting administrative consolidation into two (2) school
100 districts by July 1 following the election of the new school
101 boards. All affected school districts shall comply with any

102 consolidation order issued by the State Board of Education on or

109 District shall be abolished. All real and personal property which
110 is owned or titled in the name of a school district located in
111 such former school district shall be transferred to the new
112 reorganized school district of Bolivar County in which such former
113 school district is located. Each former school board shall be
114 responsible for establishing the contracts for teachers and
115 principals for the next school year following the required
116 administrative consolidation with the consultation of the newly
117 elected successor school boards. The new Board of Trustees for
118 the North Bolivar Consolidated School District shall appoint the
119 Superintendent of Schools for said school district, and the Board
120 of Trustees for the West Bolivar Consolidated School District
121 shall appoint the Superintendent of Schools for said school

139 by such administrative consolidation. Any person or school
140 district aggrieved by an order of the successor newly elected
141 board of trustees of a consolidated school district pursuant to
142 the required administrative consolidation may appeal therefrom to
143 the State Board of Education within ten (10) days from the date of
144 the adjournment of the meeting at which such order is entered.
145 Such appeal shall be de novo, and the finding of the State Board
146 of Education upon such question shall be final and conclusive for
147 the purpose of the approval or disapproval of the action by said
148 county board of education.

149 (4) When any school district in such county is abolished
150 under the provisions of this section, the abolition thereof shall
151 not impair or release the property of such former school district
152 from liability for the payment of the bonds or other indebtedness
153 of such district.

154 (5) Nothing in this section shall be construed to require
155 the closing of any school or school facility, unless such facility
156 is an unneeded administrative office located within a school
157 district which has been abolished under the provisions of this
158 section. All administrative consolidations under this section
159 shall be accomplished so as not to delay or in any manner
160 negatively affect the desegregation of another school district in
161 the county pursuant to court order.

162 (6) The State Board of Education shall promulgate rules and
163 regulations to facilitate the administrative consolidation of the
164 school districts in Bolivar County pursuant to this section. The

168 of the State Board of Education adopting the boundaries of the
169 successor school districts and the successor board of trustees
170 election districts have been entered and are final, as directed by
171 the State Board of Education, the new district lines shall be
172 submitted by the State Board of Education with the assistance of
173 the Attorney General to the Attorney General of the United States
174 for preclearance or to the United States District Court for the
175 District of Columbia for a declaratory judgment in accordance with
176 the provisions of the Voting Rights Act of 1965, as amended and
177 extended. In the event the change in the school district lines
178 and election districts are precleared or approved, the State Board
179 of Education shall formally declare the new lines as the new
180 boundaries of the successor school districts.
