February 16-17, 2012

OFFICE OF SAFE AND ORDERLY SCHOOLS

09.A. Approval to remove State Board Policy 4006 – School Resource Officer Basic Course

(Has cleared the Administrative Procedures Act process with no public comment)

State Board Policy 4006 – School Resource Officer Basic Course is a duplicate of State Board Policy 4005 – Minimum Training Standards.

Recommendation: Approval

Back-up material attached

Mississippi Department of Education

DESCRIPTOR TERM: School Resource Officer Basic Course	CODE: 4006
ADOPTION DATE: April 26, 2002	REVISION:

STATE BOARD POLICY

The minimum training standards require that all school safety personnel complete a Mississippi Department of Education basic course. Therefore, the Mississippi Board of Education has established the School Resource Officer Basic Course Framework. An up-to-date copy of the framework can be downloaded at http://www.healthyschoolsms.org/healthy_school_environment/school_safety.htm
