OFFICE OF ACCREDITATION

39. Approval to remove and/or establish the following State Board of Education Policies
(Has cleared the Administrative Procedures Act process with public comment)

- A. Remove State Board Policy 3800 – Graduation Requirements
- B. To establish State Board Policy 3801 – Graduation Requirements – Policies for Subject Area Testing
- C. To establish State Board Policy 3802 – Graduation Requirements – Policies for Carnegie Unit Credit

On February 2, 2012, the Commission on School Accreditation approved the deletion of State Board Policy 3800 – Graduation Requirements. State Board Policy 3800 will be divided into two new policies and will include revisions: 1) State Board Policy 3801 – Graduation Requirements – Policies for Subject Area Testing and 2) State Board Policy 3802 – Policies for Carnegie Unit Credit. The heading 3800 – Graduation Requirements will remain in the Table of Contents in the State Board of Education Policy Manual.
