22. Approval to extend contract with Ciber, Inc., to provide developers for modifications and enhancements to a web-based payment and contract system

Awarded Vendor: Ciber, Inc.  
Denver, Colorado

Scope of Project: Ciber, Inc., will provide two developers for the maintenance, development, implementation of enhancements and expansions to the Child Nutrition Payment and Contract System. Contractors will work with the Mississippi Department of Education, Management Information Systems, Project Director who will provide direction and oversight of tasks. Services are to include:

- Development and implementation of design specifications and business rules into a Microsoft.NET web based user interface with Microsoft SQL Server database;
- Development of additional reporting capabilities;
- Continuing database and system maintenance;
- Additional development of a module to track monitoring and reviews of programs; and
- Updates of system to newer code for increased system security.

Contingent upon the State Board of Education and Information Technology Services (ITS) Board approval, the vendor will begin work on July 1, 2013.

Personnel associated with this contract are not former Department employees or related to any Department employees.

Scope of Contract:

- Term of Contract: July 1, 2013 – December 31, 2013
- Total Amount to Be Awarded: \$ 132,000.00
- Method of Award: ITS Procurement

Funding Source: Federal funds

Recommendation: Approval
