03. Approval of Report from the Commission on School District Efficiency

MS Code Ann. § 37-7-1001 authorized the State Board of Education to establish a Standing Commission on School District Efficiency. The purpose of the Commission is to study the operations, rules, policies and regulations in school districts on an ongoing basis for the purpose of identifying opportunities to increase efficiencies, and to determine appropriate efficiency standards that should be considered for accreditation standards. The Commission shall report annually its findings and recommendations to the State Board of Education, and the State Board of Education may make its report and recommendations annually to the Legislature seeking legislative support to achieve efficiencies in school districts.
