

OFFICE OF CHIEF ACADEMIC OFFICER
Summary of State Board of Education Agenda Items
October 16-17, 2014

OFFICE OF SECONDARY EDUCATION (6-12)

16. Approval to begin the Administrative Procedure Act process: To establish CTE endorsement codes for Television Broadcasting and Production and Cosmetology

Background Information:

The Office of Secondary Education is requesting approval of two new endorsement codes. The codes are:

- 958 Career Pathway: Television Broadcasting and Production
- 959 Career Pathway: Cosmetology

The curricula and courses for these programs of study are undergoing revisions and updates. Licensure requirements have been modified to align with programs of study revisions. Primary changes for all applicants include: a) the College and Career Readiness Educator Program (CCREP) option, b) completion of an online learning certification, and c) completion of required program of study certification.

The Commission on Teacher and Administrator Education, Certification and Licensure and Development approved the new endorsement codes on September 7, 2014.

Recommendation: Approval

Back-up material attached

Career and Technical Education Licensure Requirements for Television Broadcasting and Production

Note: 1) If applicant meets **all new endorsement code** requirements listed below, the applicant will be issued a 958 five-year standard license. 2) If the applicant meets the education and occupational experience requirements and does not meet all other requirements of the **new endorsement code**, the applicant may be issued a 958 three-year license. 3) Applicants with a three-year license must satisfy all remaining requirements prior to the ending date of the license. 4) New endorsement code changes are **underlined and in bold**.

Old Endorsement Code 340	New Endorsement Code 958
