(1) For the purpose of assisting the board during an adoption, there shall be rating committees in each of the fields in which textbooks are considered for adoption. Each committee shall be composed of seven (7) members. The State Superintendent of Public Education shall appoint four (4) members of each of the committees, each of whom shall be a competent, experienced teacher who is currently teaching in the field in which the textbooks are considered for adoption. The Governor of the State of Mississippi thereupon shall appoint three (3) members of each of said committees, who shall be persons he deems competent to participate in the appraisal of books offered for adoption, in each field, for use in the public schools of this state.

No book shall be recommended which does not receive a majority vote of the members of each committee. Any member dissenting from any majority vote of the committee shall make his appraisal of any book recommended or rejected by the majority of the committee and specify the reasons therefor and make such recommendations as he thinks proper. The board shall have the power to reject any and all recommendations of the rating committees and to call for further recommendations; in no case shall the board adopt any book not recommended by the rating committees.

(3) Any and all sample textbooks that may be furnished by the publisher thereof as provided by Section 37-43-59 to any member of the board, the Superintendent of Public Education, and any member of a rating committee shall within one (1) year after receipt of same by said member be turned in to the State School Book Depository without cost to the State of Mississippi, and the same shall thereafter be used without any cost to the State of Mississippi in supplying free textbooks to the educable children of the State of Mississippi as now provided by law or shall be sold to the highest bidder by the board with the proceeds immediately deposited in the State Treasury to the credit of the State Textbook Fund.

(4) No state official, state employee, school board member, school superintendent, principal, teacher or any other individual shall sell or donate sample textbooks furnished them by the State School Book Depository as part of the textbook adoption or selection process. Said individuals and public officials shall not receive payment by the state depository, any publisher or any other company for sample textbooks.
