C. Modify contract with the Hinds County Sheriff's Department to provide security services on the campus of the Mississippi Schools for the Blind and Deaf

Awarded Vendor: Hinds County Sheriff's Department
Jackson, Mississippi

Scope of Project: The purpose of this modification is to reduce the scope of work provided by the Hinds County Sheriff's Department. Mississippi School for the Blind and Mississippi School for the Deaf are schools who have children on campus 24 hours a day. The schools entered into a contract with Hinds County Sheriff's Department to provide Law Enforcement Officers (LEOs) on the campus anytime students were present. This included three shifts per day [School Resource Officer (SRO)-first shift, off-duty LEO-second shift, and off-duty LEO-third shift]. Hinds County Sheriff's Department requested to modify the contract to only include the SRO for the first shift as they were unable to provide the deputies for the evening and overnight shifts.

Personnel associated with this contract are not former Department employees or related to any Department employees.
