D. Modify contract with Advert to provide security services on the campus of the Mississippi Schools for the Blind and Deaf

Awarded Vendor: Advert
 Jackson, Mississippi

Scope of Project: The purpose of this modification is to increase the scope of work provided by Advert. Mississippi School for the Blind and Mississippi School for the Deaf are schools who have children on campus 24 hours a day. The schools entered into a contract with Advert to provide supplemental security in tandem with the School Resource Office (SRO) of the Hinds County Sheriff's Department (HCSD) during the first shift of the day and on the weekends when students were not on campus. When HCSD requested a revision in their contract as they could no longer provide the Law Enforcement Officers (LEOs) for the second and third shifts of the day, a revision of this contract was needed in order to ensure Advert could pick up the shifts from HCSD.

Personnel associated with this contract are not former Department employees or related to any Department employees.
