V. Modify grant awards for the Teacher Incentive Fund (TIF) Grant

Background Information: In 2010, the Mississippi Department of Education was awarded a federal grant. One component of the grant was the development and implementation of a system that would provide financial incentives to eligible licensed personnel for meeting or exceeding growth targets. The amount of awards is determined by the level of growth in each incentive category; therefore, grant modifications vary from school to school.

The grants are being modified to extend the end date to September 30, 2016 to allow more time to analyze 2014-2015 assessment data to determine financial incentives for educators. This is the final year for incentive payouts. The grant officially ends on September 30, 2016.

- Current Grant Period: August 22, 2011 – June 30, 2016
- Modified Grant Period: August 22, 2011 – September 30, 2016
