OFFICE OF ACCREDITATION

L. Approval to upgrade the accreditation status of three (3) nonpublic schools accredited by the MDE

1. Gulf Oaks Day School - ADVISED to ACCREDITED
2. Resurrection Catholic Middle/High School - PROBATION to ACCREDITED
3. Resurrection Catholic Elementary School - PROBATION to ACCREDITED

Background Information: Based on Accreditation Policy 2.1 of the *Mississippi Nonpublic School Accreditation Standards, 2016*, annual accreditation statuses are assigned in December each year and are determined by information verified during the previous school year. An assigned accreditation status remains in effect during that school year unless the correction of deficiencies in meeting accreditation standards upgrades a status.

All schools have corrected the deficiencies previously cited that resulted in the assignment of the Advised or Probation status on December 14, 2017.
