OFFICE OF CAREER AND TECHNICAL EDUCATION

- F. Approval of methodology to award grant dollars appropriated from the Mississippi Legislature for agricultural programs, computer science, engineering or robotic engineering programs equipment upgrades and Mississippi Elementary STEM and STEAM program to local educational agencies

Background and Purpose: As the Mississippi Legislature appropriates funds, the MDE seeks local educational agencies (LEAs) that will provide technology upgrades and educator training to implement all components of Mississippi College- and Career-Ready Standards for Science through agricultural programs, computer science, engineering or robotic engineering programs and STEM programs. These funds are being awarded to LEAs to ensure that these programs are provided with the opportunities to ensure their academic success.

Eligibility: All local educational agencies are eligible to apply through the Request for Proposal (RFP) competitive process.

Funding Source: State funds

Basis for Awarding the Grants: Competitive

Funds will be awarded based on the ranking of the proposal and requested funding until available funds are depleted.

Recommendation: Approval

Back-up material: None
