08.C. Action: Renewal of Educator-in-Residence (EIR) grants to school districts for literacy coaches [Goals 1, 2, 4, and 6 – MBE Strategic Plan]

Background and Purpose: To extend the reach of the Mississippi Department of Education (MDE) to provide practitioner expertise, technical assistance, and capacity building across the state in the area of literacy in accordance with the Literacy-Based Promotion Act.

Grants will be renewed for continued placement and support of the Educator-in-Residence program. These grants will place 71 literacy coaches in literacy support schools across the state. Literacy support schools are identified for coaching support based on the percentage of 3rd grade students scoring below proficient on the statewide assessment.

Literacy coach support will include, but is not limited to: providing daily technical support to school-based coaches or lead teachers in their capacity to support instruction of the five components of reading, implement curriculum, administer assessments, analyze data, and utilize technology; modeling, effective coaching and conferencing techniques; and assisting administrators, school-based literacy coaches, and teachers in addressing grade specific curriculum by developing an effective school-wide literacy plan and providing strategies for monitoring the plan's implementation.

This is year two (2) of a three (3) year contract. Renewal of grant shall be contingent upon the successful completion of services from the preceding fiscal year's grant and the availability of funds.
