

Chapter 57: Monthly Attendance Reports

Rule 57.1 Monthly Attendance Reports. Pursuant to authority in Mississippi Code 37-19-51 for the purpose of calculating Minimum Education allotments, the State Department of Education is authorized to change the monthly attendance data reporting from scholastic months to calendar months to begin with the 1993-94 school year. The reporting months shall be defined as following:

September	1st month Report	Shall include the number of days school is in session in the calendar month of August, if applicable, plus the number of days school is in session in the calendar month of September.
October	2nd month Report	Shall include the number of days school is in session in the calendar month of October.
November	3rd month Report	Shall include the number of days school is in session in the calendar month of November.
December	4th month Report	Shall include the number of days school is in session in the calendar month of December.
January	5th month Report	Shall include the number of days school is in session in the calendar month of January.
February	6th month Report	Shall include the number of days school is in session in the calendar month of February.
March	7th month Report	Shall include the number of days school is in session in the calendar month of March.
April	8th month Report	Shall include the number of days school is in session in the calendar month of April.
May	9th month Report	Shall include the number of days school is in session in the calendar month of May plus the number of days school is in session in the calendar month of June, if applicable.
The second and third months		Shall be defined as the reporting months of October and November.
The first six (6) months		Shall be defined as the reporting months of September through February.
The nine months		Shall be defined as the months of September through May
