

Chapter 84: Vocational, General Administration (Career and Technical Education)

Rule 84.10 Local Advisory Councils and Crafts Committees. Each local school district receiving assistance from the Office of Career and Technical Education to operate career and technical education programs shall establish a local advisory council and individual program craft committees. The council and craft committees shall provide the school district with advice on current job needs and on the relevancy of courses being offered by the district in meeting such needs. The local advisory council shall be composed of members of the general public, especially of representatives of business, industry and labor. The program craft committee shall consist of member's representative of the program service area.
