

Chapter 89: Development of Curriculum Materials and Research Activities

Rule 89.2 Career and Technical Education Curriculum Guides. The Mississippi Department of Education will provide curriculum frameworks to set forth expectations of students by specifying course titles and content. A schedule for revision of the frameworks will be established. As subject areas are revised and approved by the State Board of Education, the modifications will be disseminated to the appropriate individuals in the educational community. A schedule for revision shall be kept on file in the Mississippi Department of Education.
