Run Report

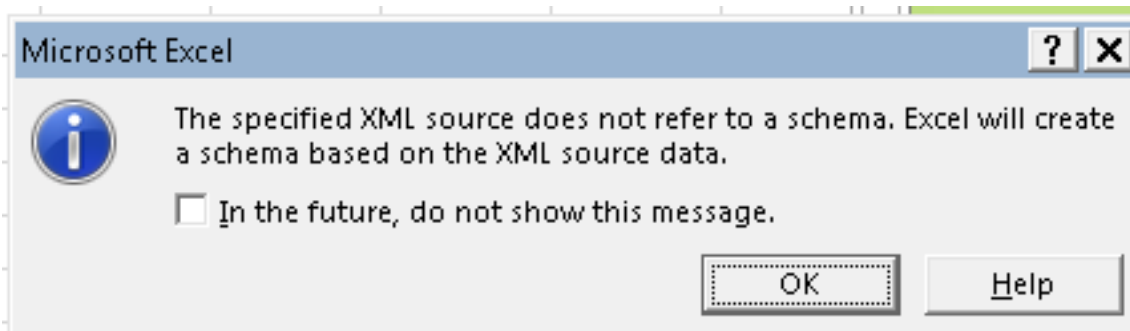

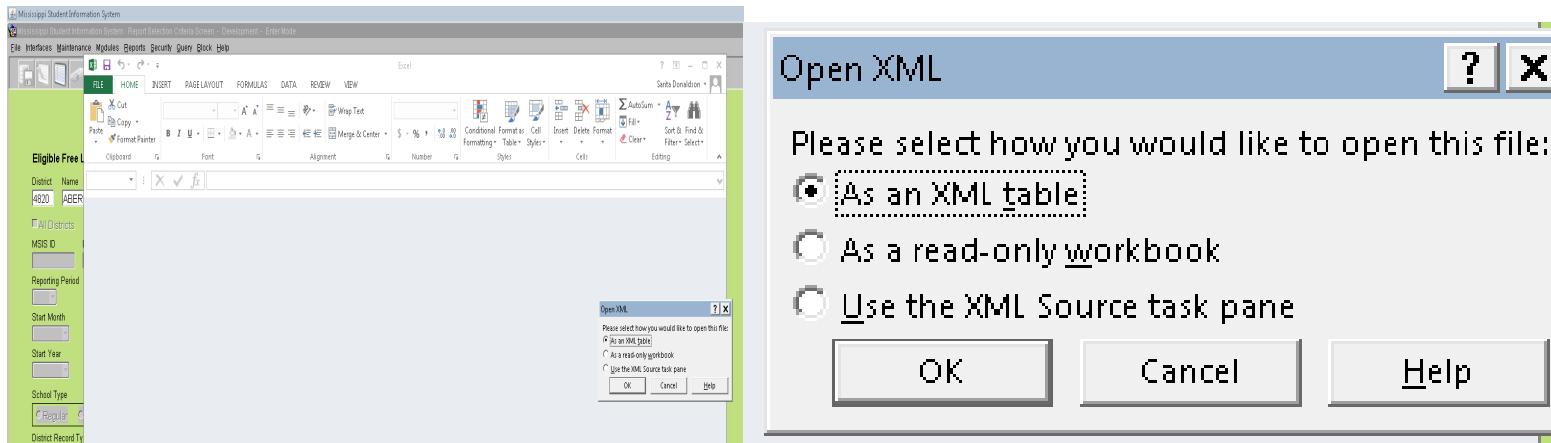

**The output Option box appears with PDF showing,  
Click on the Output Form box and select spreadsheet.**

## Click Run Report

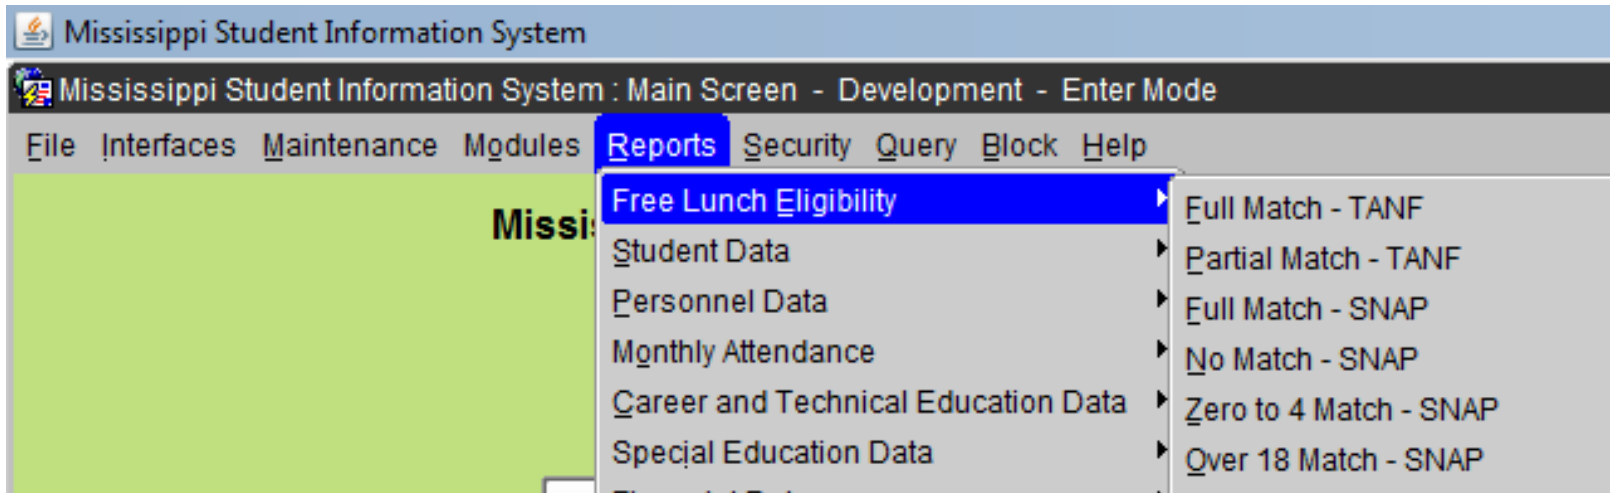

## Spreadsheet opens, Click OK

## Click OK

## Spreadsheet Information that you will need will populate in columns A to M.

1. **Full Match SNAP report:** Students **between the ages 5 to 17** that have a MSIS ID and have been matched to your district.
2. **No Match – SNAP:** If you identify any students on this report, you will need to have your MSIS Primary **correct the student's Date of Birth or Social Security Number in MSIS** so that the child will be added to your Match file when DHS sends the next file for student matching.
3. **Zero to 4 Match – SNAP:** Students **under the age of 5** that have a MSIS ID and have been matched to your district.
4. **Over 18 Match – SNAP:** Students **over the age of 17** that have a MSIS ID and have been matched to your district.
