2019-2020

DISTRICT

Learning-at-Home and Summer Enrichment Plan

Revised May 4, 2020

Due May 15, 2020

Updated per Executive Order 1476

DISTRICT NAME

North Bolivar Consolidated School District

Carey M. Wright, Ed.D.
STATE SUPERINTENDENT OF EDUCATION
INTRODUCTION
The Mississippi Department of Education (MDE) is committed to providing essential technical guidance and support mechanisms to assist districts during the time of extended school building closure as a result of COVID-19. The MDE recognizes and appreciates that districts are taking different approaches depending on their local capacity and infrastructure during this building closure. The State Board of Education (SBE) has provided flexibility within existing laws and policies regarding instructional time, graduation requirements, attendance, assessment and accountability.

In accordance with Governor Tate Reeves’ Executive Order 1476, school districts shall operate with essential personnel to offer distance learning or other instructional means necessary for students to achieve completion of grade-level essential instruction for the 2019-2020 academic school year. Additionally, school districts shall submit to the SBE plans for summer learning and enrichment measures necessary to (a) mitigate disruption from the Spring 2020 school closure due to COVID-19 and (b) to enhance learning in preparation for the 2020-21 academic school year. Per Executive Order 1476, summer learning and enrichment measures are to be provided to all students in all schools.

The District Learning-at-Home and Summer Enrichment Plan is designed to ensure districts are taking deliberate and thoughtful actions to facilitate and individualize continued student learning and progress monitoring during closure.

Taking a traditional school environment online is not a simple task – nor is it one that should be attempted without serious consideration of the practicality and risk.

The MDE is not directing districts that they must transition to delivery of all content online, as we recognize that online access and remote support for rural students and students with disabilities will certainly pose equity issues across the state. Districts need to consider how they can help facilitate continued learning within homes across the state – either through online opportunities, by making grade-level instructional packets, Family Guides for Student Success, or other resources available for pick-up at school or various locations within the district, or through a combination of delivery systems.

RESOURCES
The MDE has compiled a variety of resources for districts to use during the extended school building closure, online at https://www.mdek12.org/covid19/districtresources. The materials and tools may be used to provide additional resources to parents or students. This information is only intended to be a general summary of information provided to the public. The MDE does not endorse or promote any commercial products or services. Please make sure that you choose the tool(s), resource(s) or material(s) that are developmentally appropriate and best fit the needs of your students, school, or district.
Resources have been divided into the following categories:

- Internet Services
- Multiple Content Area Resources
- Arts (Dance, Music, Theatre, Visual Arts) Resources
- Career and Technical Education (CTE) Resources
- English Language Arts Resources
- Mathematics Resources
- Science Resources
- Social Studies Resources
- World Language Resources
- Counselor Resources
- English Learner Resources
- Intervention Resources
- Students with Special Needs Resources
- Virtual Learning Resources

**DISTRICT LEARNING-AT-HOME AND SUMMER ENRICHMENT PLAN REQUIREMENTS**

- Consider individual students’ needs, grade-level expectations, and district capacity.
- Communicate with key stakeholders, including staff, parents, students, and other community partners.
- Submit completed plan, including SECTION 1, to rhood@mdek12.org no later than May 15, 2020.
### DISTRICT NAME
North Bolivar Consolidated School District

### SECTION A
Instructional Delivery During School Building Closure

*Select all that apply. Note that Option C is a combination of Options A and B.*

- **Option A:** Distance/Virtual/e-Learning/Remote Method(s)
- **Option B:** Packets/Assignments (portfolio, project-based, etc.)
- **Option C:** Blended *(combination of Option A and Method B)*
- **Option D:** Other (provide brief description):

### SECTION B
Instructional Content During School Building Closure

*Select all that apply. Note that Option C is a combination of Options A and B.*

- **Option A:** MDE Resources
  - Mississippi Online Course Approval (MOCA) Courses
  - Learning-at-Home Resources for Districts
  - Learning-at-Home Resources for Families

- **Option B:** Individual District Developed/Hosted
  - District-developed online/hybrid content
  - District-selected online/hybrid content
  - District make-and-take packets based on locally selected textbooks/instructional materials
  - Make-and-take packets from another district/vendor (provide brief description):

- **Option C:** Other
  - Combination of Option A and Option B
  - Other (provide brief description):
## SECTION C Final Course Grade Calculation for 2019-2020 School Year

Indicate which of the following methods the district is using to calculate student grades, as well as specific grade bands for each method (for example: K-2, K-8, 6-8, 9-12).

**NOTE:** Grading policies are a local school district decision. This information is being collected per Executive Order 1476.

- **Option A:** Third nine-week grades as final grades/completion for the year
  - Grade Band:

- **Option B:** Average first, second, and third nine-week grades with fourth nine-week assignments (digital, packets, blended, etc.) grade for End-of-Year Grade
  - Grade Band:

- **Option C:** Final exam grade averaged with first, second, and third nine-week report card grades for End-of-Year Final Grade
  - Grade Band:

- **Option D:** Credit by Examination” or “Credit by Advancement” through final exam or assignment to measure standards mastery
  - Grade Band:

- **Option E:** Pass/Fail course grade
  - Grade Band:

  **NOTE:** Districts should exercise caution regarding use of pass/fail grades for graduating seniors, as student eligibility for NCAA athletics may be impacted. More information is available through this [NCAA FAQ document](#).

- **Option F:** Other (provide brief description):
  - Average first, second, and third nine-week grades.
  - Grade Band:  **K-12**

In accordance with Executive Order 1476, describe how the district will provide students with feedback/grades on assignments completed during the extended school building closure and during summer learning and enrichment programs.

The district will provide students with feedback/grades through SchoolStatus and ClassDojo, online programs (i-Ready, Study Island, Edgenuity, USA TestPrep and learning management systems such as Canvas and Google Classrooms.)
In accordance with Executive Order 1476, please indicate which of the following methods the district is using to offer summer learning, Extended School year (ESY) services, and enrichment to students. Note that ESY is not the same as summer learning.

Select all that apply. Note that Option C is a combination of Options A and B.

- [ ] Option A: Distance/Virtual/e-Learning/Remote Method(s)
- [ ] Option B: Packets/Assignments (portfolio, project-based, etc.)
- [x] Option C: Blended (combination of Option A and Method B)
- [ ] Option D: Other (provide brief description):

Briefly describe the district’s summer learning, Extended School year (ESY) services, and enrichment programming (frequency, content areas, and duration, including days per week and number of weeks).
The district’s summer enrichment programming will provide remediation and enrichment to enhance learning in preparation for the 2020-2021 academic school year. The summer program will provide quality instruction to ALL students using various methods (i.e. WebEx lessons, instructional videos, conference calls, one-on-one conferences, i-Ready individualized computer lessons, and skills packs) to reach as many students/families as possible. Learning opportunities will occur Monday through Thursday, 5 hours per day, for a total of 4 weeks in the areas of ELA and Mathematics. Additionally, high school individualized tutoring for ACT Preparation & college/career readiness will be offered to students in grades 8-12. Each Friday will be dedicated as "Gator Fun Day" to provide stimulating and engaging opportunities such as virtual field trips and other physical/mental activities.

A distance learning and/or other instructional means will be used to address grade-level instruction for Extended School Year services to students with disabilities. The distance learning instructional packets and online/teleservices. The packet will be aligned with target IEP goals and objectives which were used to determine the students' eligibility for Extended Year Services. Using the data from the technology access questionnaire, the students and teachers will make contact using an online instructional model such as Zoom or either through teleservices for students. Teachers will be required to provide guided instruction at designated times agreed upon by parent and teacher for the student. Students will be provided an instructional packet in alignment with targeted IEP goals, pencils, and any other resources deemed necessary by the teacher to complete assignments. Teachers will conference with parents weekly for progress monitoring. Teachers will be required to keep daily attendance. A copy of the students' IEP progress form will be sent to parent and a copy will be filed at the special education office. Teacher timesheets will also be submitted to the Special Services office.
In order to effectively serve all students within a district, communication is essential. Please note below how the district has communicated its Learning-at-Home and Summer Enrichment Plan with families.

*Select all that apply.*

- [ ] **Option A:** Letters mailed to families
- [ ] **Option B:** Emails to families
- [x] **Option C:** Social media posts
- [x] **Option D:** Text messages to families
- [ ] **Option E:** Local print media
- [x] **Option F:** Other (provide brief description):
  
  SchoolStatus, ClassDojo, the district’s webpage, and AlertNow all calls have been utilized to communicate Learning-at-Home and Summer Enrichment plans with families in addition to the checked options.

Briefly describe how the district will monitor participation by students during the extended building closure and summer enrichment programs.

The district will monitor participation by students during the extended building closure and summer enrichment programs through student engagement and usage reports (i-Ready, Study Island, Edgenuity, USA Test Prep, Canvas, Google Classrooms) and via parent check-ins and contacts (SchoolStatus/Class Dojo).

**SECTION F** Transcripts and Senior Transitions
District supports for graduating seniors may look different during an extended school building closure. High schools must ensure students have the necessary documents to continue their academic pursuits or transition into the work force.

Briefly describe how the district will ensure students receive transcripts and final grades upon graduation.

All graduating seniors will receive a copy of their final grades and transcripts on the day graduation. Additionally, families can retrieve final grades from Active Parent, a web-based application that allows parents to access student records. Students will also be able to obtain additional records at Northside High School during summer hours.

SECTION G Assurances for Continued Learning for All Students

☒ In accordance with Executive Order 1476, the school district is offering distance learning or other instructional means necessary for students to achieve completion of grade-level essential instruction for the 2019-2020 academic school year. Additionally, the school district is offering summer learning and enrichment measures necessary to (a) mitigate disruption from the Spring 2020 school closure due to COVID-19 and (b) to enhance learning in preparation for the 2020-21 academic school year.

SECTION H Assurances for Students with Disabilities

It is clear the United States Department of Education (ED) does not want school districts to consider the provision of services to students with disabilities under the Individuals with Disabilities Education Act (IDEA) as a barrier or a reason not to offer educational services to any of their students through distance instruction or otherwise.

☒ In compliance with COVID-19 guidance, the following assurances have been discussed and are included in planning efforts for students with disabilities, including students with 504 plans.

✓ Assure that services are provided for all students with disabilities, including students with 504 plans, and maintain appropriate documentation to support all efforts;
- Assure that services, materials, assignments, and instruction, are individualized and aligned to student IEP goals;
- Assure that district plans address how progress or lack of progress will be collected and documented in anticipation of considering the need for ESY and/or compensatory services;
- Assure that students with disabilities will not be excluded from participating in courses;
- Comply with all state and federal regulations;
- Ensure educators and administrators collaborate and utilize creative options to meet the individual needs of the students; and
- Consider the impact of the district’s final course grade calculation method selected in Section C as it relates to IEP review and development for each student. The most recent USDOE guidance can be found here.

## SECTION I Assurances for English Language Learners

- The district is working collaboratively to:
  - Provide effective two-way communication with families in a language that they understand.
  - Tailor instruction and assessments to students’ English Language proficiency needs in all four language domains (Listening, Speaking, Reading, and Writing).

## SECTION J District Certification of Assurances

By providing a digital signature or typing my name below and submitting this document, I certify that the school district is providing continued learning experiences, including summer learning and enrichment measures, as outlined in this plan.
