Lesson Measurable Learning Objectives:
The student will utilize career information from a variety of resources to identify educational requirements, average salary, and outlook for a job from three of the 16 Career Clusters.

Lesson Formative Assessment (acceptable evidence):
Assessment should relate to the performance outcome for goals and objectives. 
Assessment can be question answer, performance activity, etc.
Students will choose one career from three of the 16 Career Clusters. They will identify and submit a written report, which addresses educational requirements, average salary, and job outlook for each job.

Lesson Preparation
Essential Question:
How do careers differ?

Engagement (Hook):
Did you know … with a click of your mouse you can find information about any occupation? You can view video clips of people at work? Our goal for today is to help you help yourself—to a lifetime of success.
