Unit Essential Questions:
- How do interests, strengths, and limitations change over one’s lifetime?
- Why do people’s career choices change?
- How does a person share his/her strengths and skills?
- What influences what a person wants to do with their life?
- Are career choices a decision or a journey?

Unit Measurable Learning Objectives:
The student will review and revise his/her Personal Plans of Study, noting changes in career interests and goals since last review was conducted.
The student will identify at least two personal, educational, and/or training requirements needed for his/her career choice.
Students will demonstrate the importance of all jobs by writing a position statement with supporting details, which takes into account local and world implications, career paths/clusters information, and respect for all work and workers.
The student will apply knowledge of self to develop information to be used for postsecondary applications.
The students will list the six steps to simplify college planning.

Unit Instructional Strategies/Instructional Activities:
- Direct (Compare & Contrast)
- Indirect (Problem Solving, Reflective Discussion)
- Experiential (Simulations, Surveys)
- Independent Study (Essays)
- Interactive Instruction (Panels, Discussion, Think-Pair-Share, Cooperative Learning, Interviewing)

Unit Summative Assessment (acceptable evidence):
Summative assessment relates to the performance outcome for goals and objectives. Assessment can be question answer, performance activity, etc.
Each student will complete his/her Personal Plan of Study.
Students will fill out the postsecondary checklist, discuss the results, identify at least two postsecondary options, and develop a transition plan for their current choice.
**Brief Summary of Unit:**
In this unit for grades 9-12, students will learn and implement knowledge, skill, and understanding that will enable them to apply self-knowledge to the process of planning for postsecondary options. This unit will provide students with information, resources, and competence to enable them to become lifelong learners and advocates for themselves when facing change and/or opportunities for change.

**Student Prior Knowledge:**
What prior knowledge do students need (e.g., the steps to solving a problem) to be successful in this unit?
- How to prepare a Personal Plan of Study.
- High school graduation requirements.
- Use of personal transcript to evaluate current and future preparation for entrance into postsecondary options
