Students will complete job applications and identify interview skills through reflective writing.

**Brief Summary of Unit:**

Students will develop a resume, complete sample job applications and evaluate their job interview skills. This will help prepare students to develop a Personal Plan of Study at the completion of the eighth grade that takes into account portfolio information and self-evaluation tools. Students will develop an educational and career plan, establish specific goals, and develop action steps for achieving the goals.

**Students’ Prior Knowledge:**

Student success in any learning endeavor is dependent upon prior knowledge. The Missouri Comprehensive Guidance Program Curriculum builds on each student’s prior knowledge and understanding in academic content, as well as comprehensive guidance content. Helping students develop a common vocabulary and common conceptual understandings rests upon the professional school counselor.

For the Career Development Strand, the common vocabulary for seventh graders includes:

<table>
<thead>
<tr>
<th>Work</th>
<th>Job Responsibilities of Workers</th>
<th>College, University</th>
</tr>
</thead>
<tbody>
<tr>
<td>Career</td>
<td>Interests</td>
<td>Strength, Limitation</td>
</tr>
<tr>
<td>Career Paths</td>
<td>Postsecondary Options</td>
<td>Ethics</td>
</tr>
<tr>
<td>Resume</td>
<td>Portfolio</td>
<td>Interview</td>
</tr>
</tbody>
</table>

For CD 9, the common conceptual understanding includes: the inter-relationship of one’s personal skill (e.g., ethical behavior, work-habit skills, and attitudes), one’s job-seeking skills, and work success and satisfaction.

At the seventh grade level, students are expected to have prior knowledge of:

<table>
<thead>
<tr>
<th>The Concept and Titles of the Career Paths</th>
<th>Basic Goal-Setting and Planning Skills</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Importance of All Work</td>
<td>The Value of All Workers</td>
</tr>
<tr>
<td>Basic Interviewing Skills</td>
<td>Their Personal Characteristics</td>
</tr>
</tbody>
</table>
